EIGHTEEN EIGHT-COLUMN PAGES

Guarantees Asked Of Poles by Soviet Foreign Minister

Immunity of Russian and Ukrainian Delegates, Code Communications, Condition of Riga Conference; Bolshevik Delegate Resigns; Joffe New Head.

Warsaw, Sept. 2.—(Associated Press)—M. Danishevsky has resigned as head of the Russian peace delegation and has been replaced by Adolph Abramowicz Joffe, former Soviet Ambassador to Germany and chairman of the Russian peace delegation at Brest-Litovsk, according to Moscow advices. M. Danishevsky resigned because the Soviet Government agreed to carry on further negotiations with Poland at Riga.

Prince Sapieha, Polish Foreign Minister, received a wireless message from George Tchitcherin, Bolshevik Minister of Foreign Affairs, stating that the essential condition as to the Riga conference was a guarantee of the immunity of the Russian and Ukrainian delegates, the right to free and uninterrupted communication in code by telegraph and wireless and by courier carrying diplomatic sealed pouches.

Prince Sapieha has wired the Polish minister in Riga to obtain the demanded guarantees from the Lithuanian government and to communicate the result direct to the Bolshevik minister in that city.

Joffe's Attitude. Washington, Sept. 3.—The attitude of the newly-appointed head of the Russian peace delegation, Joffe, towards Poland and the Baltic provinces, is set forth in a confidential statement made by him to a Lithuanian official last month and received here today in official circles.

"Russia," he declared, "is willing to negotiate on reasonable terms with Poland, and to treat her in the same manner as the other states bordering on Russia."

At the time at which the statement was made, August 19, Joffe's terms included the demand for a corridor to Germany through Poland and unrestricted passage through the Danzig corridor. Demobilization of the Polish troops was "the one thing," he said, "which is specifically desired."

Concerning the Baltic provinces whose independence the United States has consistently refused to recognize, Joffe stated:

"Russia is insisting that these provinces remain independent. In this way it will be possible for Russia to avoid a complete blockade, and the starvation which would follow."

Balfour Replies to Tchitcherin On Renouncement of Soviet Demand For Polish Workmen's Militia

London, Sept. 3.—Arthur J. Balfour, Lord President of the Council, yesterday replied to the dispatch of M. Tchitcherin, Russian Bolshevik Minister, sent on August 25. Balfour expressed gratification that the Soviet Government renounces its demands for a workers' militia, but declares that the Tchitcherin is mistaken in supposing that the British Government recognized that a reduction of the Polish army to 50,000 men would be just peace terms.

What the British Government said, Mr. Balfour declared, was that Great Britain would not consider it sufficient ground for active intervention.

Mr. Balfour characterizes Tchitcherin's representations concerning the militia as being a concession to Poland as evidently meant as a jest. He considers, however, that both the British Parliament and people were deceived by the Soviet withholding the fact that the militia was to be taken from a particular class chosen by a victorious enemy.

The British Government's objection was not based on the choice of workmen. Its objections would be equally strong if the militia were composed of millionaires.

Mr. Balfour concludes by saying that he never for a moment questioned the efficacy of Soviet methods for making rich men poor, but that it is in the more important task of making poor men richer that failure is to be feared.

GERMANY TO MAKE REPARATION FOR BRESLAU INCIDENT

Paris, Sept. 3.—The Foreign Office today received official notice of Germany's acceptance of the terms embodied in the French demands for reparation, on account of the recent incidents at Breslau, which included an attack by a German mob on the French consulate.

BRAZILIAN SITUATION

Rio de Janeiro, Sept. 3.—Financial conditions in Brazil have become so serious and exchange rates so erratic that North American banks and merchants are refusing further credits to Brazilian concerns until the situation shall have improved, according to speakers at a meeting today of the semi-official commercial association.

MCSWINEY'S NOW IN STATE OF COMA

Irish Hunger Striker Nearly Unconscious Shortly After Noon To-day

Father Dominick, Private Chaplain, Conducted Special Mass In Prison

London, Sept. 3.—Terence Macswiney, Lord Mayor of Cork, who is in a critical condition in Brixton prison as a result of his hunger strike, which began August 12, was reported this morning to be sinking rapidly, and to be very much weaker. This statement of his condition was made by his brother, Sean Macswiney, after he left the prison this morning.

At the Lord Mayor's request members of his family visited him this morning, and later they expressed fear that the end was not far away. Those who went to his cell included Macswiney's wife, his brother, Sean Macswiney, and his sisters, Annie and Mary Macswiney. They arrived at 8.30 o'clock, and remained for forty-five minutes.

Father Dominick, private chaplain to Macswiney, conducted a special mass this morning in the prison.

A report made on Mayor Macswiney's condition shortly after noon said he was rapidly approaching unconsciousness. He was too weak during the morning to carry on a conversation, it was reported.

Hyman Cables. New York, Sept. 3.—An appeal to Premier Lloyd George of England, at Lucerne, for the release from prison of Lord Mayor Terence Macswiney, of Cork, was cabled by Mayor Hyman today.

BANDIT THREATENS SUMMARY ACTION

Unless Ransom Is Paid For Men Held In Mexican Fastnesses

Mexico City, Sept. 3.—Pedro Zamora, the Jalisco bandit, has threatened to execute W. A. (Sandy) Gardner, an American citizen and Bertie C. Johnson, a British subject, who were kidnapped by Zamora at Cuale, August 29, if the men are not ransomed immediately, according to dispatches.

It is reported Zamora has increased the amount of ransom, The Esperanza Mining Company, which employed Gardner at Cuale, is holding the ransom money ready, upon advice of the United States consul here, but it is declared it has not been able to communicate with the outlaw.

The Government is exerting every effort to obtain the release of the men without paying ransom, which, officials say, might encourage every potential bandit chief to enter the business of capturing and holding foreigners until paid large amounts. Federal troops are said to be close behind Zamora, who is reported to have sought refuge near El Panal Mountains.

MAYOR MARTIN, OF MONTREAL, TO RUN FOR FIFTH TERM

Montreal, Sept. 3.—"Find me the man or newspaper who can defeat me; I still have my voice," said Mayor Frederic Martin yesterday after a standing and status which he intended to run for a fifth term as mayor.

Mayor Martin has already been elected for three terms in succession and is now enjoying a fourth by the action of the Quebec Legislature in extending his time of office.

Populace of Suwalki Welcome Polish Army

Warsaw, Sept. 3.—Polish troops have entered the city of Suwalki, nineteen miles north of Augustowo, and have been given an enthusiastic welcome, says the official statement today.

General Budenny, the Russian Bolshevik commander, who has been attempting to break the Polish lines in Galicia and who has suffered what appears to be a decisive defeat, is rapidly retreating, it is said.

Along the line from Sokola to Brest-Litovsk on the northeastern Polish front, the situation is quiet.

In Lithuania. Berlin, Sept. 3.—Lithuania will defend herself with all means at her disposal against invasion by Polish troops, and will prevent any further violations of her territory, says a Kovno dispatch.

A statement has been issued by the Lithuanian Foreign Minister, who declares: "The Polish Government has issued instructions for military occupation of Lithuanian territory, after having deceived Lithuania

FIVE MILLIONS IN GOLD WILL LEAVE FRANCE FOR STATES

New York, Sept. 3.—A shipment of \$5,000,000 in gold will leave France next Saturday for the United States as part payment on France's share of the Anglo-French Loan, maturing October 15. It was stated here today by the French mission.

GAVAN DUFFY GIVEN TWENTY-FOUR HOURS TO LEAVE FRANCE

London, Sept. 3.—George Gavan Duffy, so-called ambassador of the Irish Republic to France, has been given twenty-four hours by the French Government in which to leave France. It was officially stated here today.

PASSES HIS SEVENTY-THIRD MILESTONE; SIR GEORGE FOSTER

MINISTER OF CROWN FOR LONGEST PERIOD

Sir George Foster Celebrates His Seventy-third Birthday To-day.

Ottawa, Sept. 3.—(Canadian Press.)—Sir George E. Foster, Minister of Trade and Commerce, is today receiving the good wishes of his Cabinet colleagues and hosts of others on the occasion of his 73rd birthday. Sir George was born on September 3, 1847.

With the exception of the late Sir Wilfrid Laurier, the veteran Minister of Trade and Commerce, has seen the longest parliamentary service under Confederation of any public man. He has served thirty-four years, one month and nineteen days against Sir Sir Wilfrid's forty-four years, eleven months and twenty-seven days, and Sir John Macdonald's twenty-three years, eight months and twelve days.

Sir George Foster has been a minister of the Crown for the longest period of any man since Confederation. His service to date totals nineteen years, five months, twenty-six days, one month, nineteen days, and Sir Wilfrid Laurier, sixteen years, one month and four days.

Great Orator. Sir George is the oldest living privy councillor in Canada and he has long been recognized as one of the outstanding orators in Parliament, which place he holds to the present despite his advancing years.

As a member of the Cabinet, he has traveled probably more extensively by on business journeys than any other minister. He has been twice to England and France, and has also visited Manchuria, Korea, China, Japan and other countries in connection with his duties.

It is a notable fact that Sir George was the first of the British Ministers to enter German territory after the signing of the armistice. He journeyed there in connection with the Peace Conference, to which he accompanied Sir Robert Borden as one of Canada's delegates.

He was also present at the signing of the armistice at Compiègne, and he was the first Canadian to enter Germany after the armistice.

He was also present at the signing of the armistice at Compiègne, and he was the first Canadian to enter Germany after the armistice.

Very Favorable Trade Balance Is Shown in Animal Export Trade

Ottawa, Sept. 3.—(Canadian Press)—Canadian export trade in animals and animal product during the first four months of the present fiscal year shows a favorable trade balance amounting to \$29,071,148, representing 80 per cent. of the total trade value of agriculture. The export trade, however, shows a reduction in value of approximately 50 per cent. when compared with the exports of the same period of 1919. Export figures for the first four months of the present fiscal year were: \$56,445,119 against \$90,328,285 for the corresponding period of last year. Imports in 1920 were \$27,373,971 against \$27,799,712. The trade balance in Canada's favor in 1919 was \$29,071,148 against \$62,528,573 for the corresponding four months of 1919.

Agriculture, including all classes of agriculture and vegetable produce and animal and animal produce, has a favorable trade balance of \$33,512,927. This balance is, however, less by about \$11,490,000 than that of the same period of 1919. The figures are: Four months, 1919, exports \$258,808,924; imports \$189,345,345; 1920: Exports \$165,959,239; imports \$132,447,212; trade balance \$33,512,927.

While agriculture has been able to maintain a favorable balance in trade, the total trade in all classes during the first four months of the fiscal year as compared with the same period of 1919 shows a reduction of over four million, a reduction of \$11,490,000. The figures are: Four months, 1919, exports \$258,808,924; imports \$189,345,345; 1920: Exports \$165,959,239; imports \$132,447,212; trade balance \$33,512,927.

SPENT NEARLY TWO DAYS UNDER WATER

Crew of American Submarine Rescued After Most harrowing Experience.

Philadelphia, Sept. 3.—Radio messages flashed from the army transport General Goethals to the Philadelphia Navy Yard via Cape May, told of the rescue early today of the officers and crew of the submarine S-5 after they had spent nearly two days locked in the disabled vessel south of Cape Henlopen. It was after three o'clock this morning when Lieutenant Commander C. M. Cooke, the last man to leave his vessel, was taken aboard the steamer Ananias. Nine hours had elapsed since the plight of the undersea boat had been made public through a wireless call picked up by an amateur operator in Farmington, Conn.

It was a small buoy, a development of the world war, together with the vigilant eye of a lookout on the bridge of the transport General Goethals that gave the thirty men on the submerged submarine S-5 their chance for life. This small buoy, with a bell and buzzer device that can be operated from the boat is submerged, is part of the equipment of later type submarines. It was cast loose when the S-5 went down with his duties.

General Goethals saw it being attracted by its bell, as well as the fact that "it was not noted on the chart." (Concluded on page 4.)

LOCAL COLLEGE HEADS HONORED

Instructors of Victoria College Made Associate and Assistant Professors

The University of British Columbia has conferred the rank of associate professor upon three of the members of the Faculty of Victoria College and the rank of assistant professor upon the two other members, according to information just received by E. B. Paul, Principal of the College.

As a result of the decision of the University authorities on the matter, the Faculty of the new Arts College is as follows: E. B. Paul, M. A., Principal of Victoria College and Associate Professor of Classics; E. H. Russell, B. A., Associate Professor of Mathematics; P. H. Elliott, M. Sc., Associate Professor of Science; Miss J. A. Cann, B. L., Assistant Professor of English; Mme. Sanderson-Mongin, Assistant Professor of French.

A number of the members of the Faculty of the University itself do not hold the rank of associate professor, some being assistant professors and others instructors. Mr. Russell and Mr. Elliott both were members of the University Faculty before joining the Faculty of Victoria College, and status which associate professors until the University conferred that rank upon them when they came to lecture here. The school authorities are much gratified with the University's decision to confer associate professorships on the local men because they consider that it will give the Arts College a standing and status which otherwise it would not possess.

WORLD BAR HEARST PAPERS IN CANADA

Canadian Clubs Opposed To Circulation Of Anti-British Publications

Montreal, Sept. 3.—A resolution recommending the suppression of Hearst publications, news services and films in Canada, will be one of the matters to be considered by the conference of Canadian clubs, to be held here on September 4 and 5.

Grounds on which the resolution is based are the spreading of anti-British feeling in this country by the free distribution throughout Canada of Hearst publications and news services.

NO APPOINTMENT YET

Ottawa, Sept. 2.—There has been no appointment as yet to the vacancy on the Soldier Settlement Board caused by the resignation of W. J. Black, who recently accepted the position of chief executive director of the National Liberal and Conservative Party.

Attempt Made to Supersede Rule of British in India

Virulent Anti-British Propaganda Among Frontier Tribes In Manshara Region, Official Communique Says; Ringleaders Arrested.

London, Sept. 3.—An official communication from Simla, British India, announced virulent anti-British propaganda among the frontier tribes in the Manshara region, where an attempt has been made to organize a provisional government to supersede the British administration. The British commissioner hurried from Peshawar and arrested the ringleaders. Armed crowds assembled and demanded the liberation of the men. Eventually they were persuaded to retire.

Housemaids Cause Riot On Reaching Montreal

Montreal, Sept. 3.—An enthusiastic reception was accorded the twenty-three domestic servants from the British Isles who arrived here this morning on board one of the Atlantic liners.

The authorities of Dorchester House, who are in the habit of engaging English girls for service in Canada, under the arrangement that prospective employers here prepay the transportation of the girls, who afterwards work out their passage money, engaged twenty-three girls in this manner, and took them on arrival to the institution.

Wind of their coming got abroad in the city, and Dorchester House was attacked by a palpitating army of servant seekers. Ladies in the latest creations of Paris and New York, in luxurious limousines and stately touring cars, besieged the institution and, refused admission at the front entrance, invaded the rear, with the result that certain sections of Dorchester House resembled an old-time slave mart with three or four ladies surrounding a girl, out-bidding each other for her services. Competition was so keen that the girls were finally bundled, bag and baggage, into the automobiles and driven off, the resultant confusion being such that the matron at the institution lost track of the servants and is in a quandary to know where any of the twenty-three have gone and where the original employers are, for the time being, out both girls and passage money.

CANADIAN AVIATOR SETS NEW RECORD

Captain Johnson Flies From Ottawa to Camp Borden in Fast Time

Ottawa, Sept. 3.—(Canadian Press.)—Flying from Ottawa to Camp Borden, a distance of approximately 300 miles, with two passengers, in two and one-half hours, Captain G. O. Johnson, of the Canadian Air Force, set what is probably a record for rapid transportation in Canada. The same journey by train means leaving Ottawa at 10 p. m. and if all train connections are made and the train leaves on time, arriving at Camp Borden at one o'clock the next afternoon.

Elyng a Bristol, Colonel Scott, director of civilian flying, accompanied by Captain Johnson, in a D.H. 9 made the journey from Camp Borden to Ottawa in three hours, and on the return to Camp Borden, Scott and his two passengers covered the same distance in half an hour less. Leaving Ottawa at 2.30 p. m. the party arrived at the hangers of Camp Borden in time for dinner at six o'clock. The time for the journey is looked upon as a record for Canadian flying.

ONE MAN VOTES SEVENTEEN TIMES

Is Unable To Resist Appeal Of Popular Girls In Contest

Miss Irene Craig 17,000
Mrs. W. H. Davies 15,544
Miss Sarah Watson 14,982
Mrs. Anna Darcus 9,960

Results of the voting in the popular girl contest this afternoon give Miss Craig the lead with 17,000 votes over Mrs. W. H. Davies, the entrant of the Vancouver Island Athletic Association, who has dropped down to second place.

Miss Craig has got in nearly 5,000 votes since yesterday, while Mrs. Davies' total for the day fell below 1,000.

Miss Sarah Watson, of Stevenson's, today continued her climb of yesterday. With 4,000 votes since yesterday afternoon she has almost tied Mrs. Davies for second place.

Mrs. Anna Darcus, the wife widow, dropped behind in her pace, with only 1,100 additional votes to her credit.

A farmer came into the Development Association headquarters today from Gordon Head.

"I want to vote for the war widow and I've come in all the way from the farm to do it," he said.

When Mrs. Darcus called on a man on Hillside Avenue and asked him for a vote he yawned.

"Well, I guess I may as well vote again," he said. "I've cast seventeen ballots already for popular girls in this contest, and I suppose another won't make any difference."

Officials of the competition say that some gentlemen are so kindly disposed to the girls in the race that they sign ballots so fast that they forget their obligation to patronize home manufactured goods.

"Few people realize the enormous time and trouble which is attendant upon a competition of this kind," said Publicity Commissioner Thomson today.

The contestants themselves and any one who is assisting to make the competition a success is actuated by a desire to help Victoria along by advocating the use of Made in Victoria goods. A great deal of money is being expended and much gratuitous labor given to this end. Let anyone who has signed a ballot do his or her part in fulfilling the pledge, and we shall have gone a long way toward realizing the splendid result anticipated.

RAILWAY EARNINGS

Montreal, Sept. 3.—Canadian Pacific Railway earnings for the week ended August 31, 1920, are \$5,691,000, an increase of \$922,500.

West Saanich Institute.
Suggets—The West Saanich Women's Institute will not hold the regular meeting on September 14, as the Agricultural Society will hold the Fall fair on that date. The Institute will meet a week earlier, on September 7, Tuesday afternoon, at the Institute rooms. Mrs. Wall, chairman of the Advisory Board of Women's Institutes, will address the meeting.

Flight Over City
Nanaimo—His Worship Mayor Bushby was included in the number of daring Nanaimites who flew over the city and harbor this morning in a seaplane piloted by Lieut. Brown, of Victoria. His Worship states Nanaimo looks beautiful from a thousand feet up, every street having the appearance of being paved.

Social Gathering
Nanaimo—Nanaimo Maccabees held a most enjoyable social time, Monday evening, a feature of the gathering being presentations to Lady Commander Mrs. Carnely, a parting gift to Mrs. Priestly on the eve of her departure for England and to Mrs. George Waugh, in honor of her recent marriage. All arrangements were in the hands of Mrs. O'Connell and her willing workers.

On Visit to City.
Port Alberni—Mr. Coleman, the mustard manufacturer, of Crown Point, Norfolk, England, and son and daughter, are spending a couple of months touring the Province, and while here have enjoyed some excellent fishing. The fishing for the Yee—has attracted them greatly and they have been quite successful in landing some pretty large ones.

Back From Mt. Rainier.
Nanaimo—Mr. and Mrs. T. W. Martindale, accompanied by Miss Margaret and Murray Martindale and J. Leighton, returned yesterday from a motor trip to Washington, which included a visit to the National Park at Mt. Rainier. At Paradise Inn, Mt. Rainier, they were entertained at luncheon by Seattle Rotarians in honor of the Rotarian hospitality recently tendered in Nanaimo to their Washington visitors.

Will Be Represented
Port Alberni—Arrangements are being made, under the auspices of the Alberni Agricultural and Industrial Society to have an Alberni district exhibit at the Vancouver Fair. A display for the Provincial Fair at Westminster has been suggested, also, and will probably materialize.

Gave Recital.
Nanaimo—Miss Marion Evelyn Cox and Miss Doris Prouditt gave a very pleasing recital at the Opera House last night, under the auspices of the George Fletcher Co.

Makes Presentation.
Nanaimo—J. W. Jensen, for five years safety engineer with the Canadian Western Fuel Co., which he leaves to become general manager of the Lantzville Mine, Nanoose Bay, was presented on Sunday last with a solid brass reading lamp and a Brinson pocket transit by the members of the Company Ambulance Association, of which he has been the honorary secretary. Mr. Jensen's team last year won distinguished honors at the annual field of the Vancouver Island Mine Rescue Association.

WANTED TO SLAY ALL MUTINEERS

Chinese General Was Held in Restraint By President Over Method

Peking, Sept. 2.—Kill them all, is the recommendation of General Chang Tso-Ling for the troops who took part in the recent mutiny at Tingchow. He told the Associated Press correspondents he was only restrained from putting the punishment into effect by a disagreement with the President over the proper methods. The President Chang said was in favor of shooting only the twenty ringleaders. While General Chang favored the execution of the entire 1,500 mutineers.

The general asserted he was opposed to a popular convention as suggested by the Wupufei as it was likely to create trouble. He approved the plan for disbandment of the army qualified, saying it depended on the size of the Province. He urged increase protection for the miners and industries of Manchuria, although expressing no fears of Japan or Russian aggression. The aggressive tendency of Japan was never noticed, Chang said, during his three years governorship of Mukden.

SIBERIAN REBEL.
Harbin, Manchuria, Sept. 2.—It is reported here that Irkutsk and Krasnoyarsk, Siberia, have overthrown Soviet forces and that Perm is held by sixty thousand insurgents. Hungarian troops having joined in the movement. There has been serious uprising in four districts of the Verkhne-Udinsk region, populated by the sect of Old Believers.

PLAN TO ELIMINATE FRESH MUSICIAN
Winnipeg, Sept. 2.—Action to eliminate the "musician who plays a light instrument and dances around producing ladies in the back, and generally making a nuisance of himself," is proposed in a resolution which the Winnipeg Musicians' Union will consider. In the production of "Jazz" the resolution will confine union members to either dancing or playing, but would not permit both at one time.

Cuban barbers use no brush, but rather their patrons with their hands from a bowl made to fit under the chin.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking Lydia E. Pinkham's Vegetable Compound

Emmitsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so I thought I would try it, and it did me more good than all the doctor's medicine. I am a farmer's wife and do my own housework all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in the house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. Etta Warren, Emmitsburg, Md.

Backache and nervousness are symptoms of nature's warning, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

NEWS AND NOTES OF THE MINES

The Premier Mine.
Extensive development work, involving the expenditure of large sums of money, is proceeding at the famous Premier Mine in the Portland Canal district, according to R. W. Wood, President of the Premier Gold Mining Company, owners of the property, who was in Victoria yesterday. At present about 150 men are being employed at the Premier, Mr. Wood states, but one is not being shipped just now on account of the bad condition of the roads, which will be made when snow is on the ground.

The chief work under way now, says Mr. Wood, is the installation of a power plant, concentrator, and mill. While this will cost the operators a very large sum of money, men also are driving No. 2 tunnel on a lower level than the first tunnel driven. The second tunnel has been driven in about 1,000 feet and it is expected that when it is driven 350 feet more it will cut the ore body already reached by No. 1 tunnel.

That section along the Portland Canal is not a poor man's country," Mr. Wood remarked. "It takes a lot of money to develop properties there. He praised the work of the Provincial Department of Mines for opening up roads and trails to give access to the mines.

Moose Mine.
It is stated that the Moose mine at Alice Arm has been bonded from D. W. Cameron, by W. R. Ross, ex-Minister of Lands, and associates through the agency of W. C. Ross, the son of Mr. Ross. The figure involved is \$155,000.

COSSACKS ACTIVE.
Tashkent, Asiatic Russia, via Harbin, Manchuria, Sept. 2.—The railway from Aktubinsk to the Aral is in the hands of insurgent Cossacks.

GRAND TRUNK BOARD OF ARBITRATION MAY SIT IN NOVEMBER

Ottawa, Sept. 2.—It is expected that the Grand Trunk Arbitration Board will begin the taking of evidence in Montreal in the first week of November. A definite date has not yet been fixed.

MAYOR OF CHICAGO CALLS LOWDEN "CROOK"

Chicago, Sept. 2.—Mayor William Hale Thompson, addressing two political meetings in the Illinois Republican primary campaign, declared Governor Frank O. Lowden was "a crook and a liar." Mayor Thompson said he helped to elect Lowden four years ago, and added: "But we won a hollow victory for we elected a crook for governor, and his word is no good." At another meeting he said: "Frank Lowden is a liar, I apologize for supporting him."

FORMER PREMIER OF QUEBEC SERIOUSLY ILL

Montreal, Sept. 2.—Notre Dame Hospital authorities reported the condition of Hon. N. St. Parent, ex-Premier of Quebec, who is lying critically ill at the institution, as unchanged yesterday.

DOUBLE TRAGEDY.

Aberdeen, Wash., Sept. 2.—E. W. Howard shot and killed his wife, Doris Howard, here yesterday, then turned his revolver on himself. Both were dead when found by neighbors. Howard and his wife had been separated for a month. Howard was thirty-eight years old, his wife twenty-two.

Fat That Shows Soon Disappears

Prominent fat that comes and stays where it is not needed is a burden; a hindrance to activity, and a curb upon pleasure. Many forms of advice to reduce weight have been advanced, such as dieting, hard work, excessive exercise, etc., all of which are either unpleasant or dangerous. The latest, more modern and pleasant way to take off burdensome fat, is to take, after each meal and at bedtime, a Marmola Tablet. These little tablets are as effective and harmless as the famous Marmola Prescription from which they take their name. To get rid of fat at the rate of two, three or four pounds a week, simply take one of these little tablets after each meal and at bedtime until you have reduced your weight to where you want it. No wrinkles or flabbiness will remain to show where the fat came off. They are for sale by all druggists at \$1 for a good size box. If you prefer to have them come to you direct by mail, prepaid, in plain sealed cover, send amount to the Marmola Co., 97 Garfield Building, Detroit, Mich., and had goodness to dining, exercise and fat. Be yourself, slim, trim and attractive.

A GOOD SUGGESTION.

There is much to support the theory that community effort would be more successful in Victoria if the enterprise and initiative of the Victoria and Island Development Association were united with that of the Board of Trade and prosecuted in a joint programme for local expansion.

Victoria to-day possesses a number of progressive institutions whose efforts in not a few instances overlap to the point that neither organization gets the full return for its labor. Would it not be as well, therefore, for those bodies whose efforts are directed along more or less identical lines to pool their aims and objects and establish a representative central council?

THE GOLF CHAMPIONSHIP.

It is quite true that the Royal and ancient game must be played to be properly understood. The spectator who knows nothing of its mystery, its inspiration and its disappointment, is apt to regard it as a most extraordinary pastime. But this conclusion invariably is reached from an observation point some distance removed from the actual scene of play, too far away, for instance, to enable the onlooker to detect the eager enthusiasm with which the player approaches that small white object.

A BOOMERANG.

The New York Journal of Commerce demands the revision by Congress of the Jones Shipping Act. It points out that the measure will isolate the United States from the rest of the world, which of course means serious loss to the republic.

our Pacific ports the Japanese will apply the like treatment to us. Japanese business men are already up in arms and protesting against the unfair treatment—as they regard it—to which the law subjects them.

It was quite obvious from the first that whatever advantage would flow to American shipping from this Act would be overwhelmed by the disadvantages which the law would impose upon American trade and industry.

COUNCIL NOT TO BLAME.

We cannot agree with our morning contemporary that if an expert had been called in by the City Council in connection with the Johnson Street Bridge plans work on the new structure would have been begun before this, because the facts are dead against such a conclusion.

The ablest expert on earth could not speed up the work in the face of these circumstances, but, as dear experience has taught us, he could cost a small fortune in doing what could have been done just as well by our own Engineer.

FREE TRADE NOT INVOLVED

During a discussion at the meeting of the local Trades and Labor Council on Wednesday evening on the advisability of appearing before the Tariff Commission during its session here, one of the delegates said the Council first should decide whether it favored free trade or not.

Free trade is not a factor in the situation the Tariff Commission has been appointed to investigate. It is not a plank in the platform of any of the political parties now before the public.

The real issue before the Tariff Commission is tariff for revenue versus tariff for protection, or, in other words, a radical downward revision of the present tariff against keeping it as it stands or raising it.

QUITE OBVIOUS.

The German Minister of Foreign Affairs announced in the Reichstag yesterday that he had been urged to join with the Russian Bolsheviks against the Western powers for the purpose of breaking the bonds imposed by the Treaty of Versailles, but, "after mature reflection," had rejected the proposal, because if it had been accepted Germany would have become a theatre of war, besides suffering the disastrous consequences of becoming Bolshevist.

If Germany had joined fortunes with those of the Russian Bolsheviks, within a few hours the Allies would have been on the march across the Rhine and into the interior of German territory. In the Rhine Valley they hold Germany's backbone and can break it without difficulty.

OTHER PAPERS' VIEWS

SENTIMENT V. REALISM

It is the sentimentalist fault that the cynic who imperils Anglo-American relations. The ignorance of the first is more devastating than the callousness of the second. Neither hit the safe mark of realism. Those well-intentioned leagues and clubs which are always talking about the unity of the English-speaking races, the bond of a common language and the rest, are a delusion and a snare.

SOME SNAPPY NAMES.

Speaking of New England names, the genealogical columns of The Transcript are indeed a standing proof that the seventeenth and eighteenth century names possessed much more of snap, flavor and euphony than our twentieth century names possessed.

ANNIVERSARIES TO-DAY

- 1789—Hannah Flagg Gould, poetess, born at Lancaster, Mass. Died at Newburyport, Mass., Sept. 3, 1865.
1849—Sarah Ome Jewett, novelist and short-story writer, born at South Berwick, Me. Died here, June 25, 1909.
1855—Mlle. Rachel made her American debut at the Metropolitan Theatre, New York.
1870—Berlin rejoiced over the victory at Sedan.
1876—Tercentenary of the pacification of Ghent celebrated by unveiling of a monument in that city.
1895—Laborers were engaged to resume work on the Panama Canal.

IN THE DAY'S NEWS

The Duke of Abruzzi, who is reported from Rome to be preparing an expedition to the South Pole, has spent a large part of a busy life in exploring the unknown parts of the earth. Twenty years ago he approached nearer to the North Pole than any previous explorer, and six years later he conquered the "Mountains of the Moon," which betride the Equator in Central Africa.

TO-DAY'S BIRTHDAYS

Lord Halsbury, former Lord High Chancellor and now the oldest member of the British peerage, born in London, 53 years ago to-day.
Rodolphe L. Agassiz, president of the Calumet and V. ecla Mining Company, born in Boston 45 years ago to-day.
Right Hon. Sir George Foster, Canadian Minister of Trade and Commerce, born in New Brunswick, 73 years ago to-day.

SHOCK AT LOS ANGELES.

Los Angeles, Sept. 3.—A light earthquake was felt in outlying parts of the city shortly before daybreak. No damage of any sort was reported.

STREET CAR ISSUE

TO BE FOUGHT HERE

Railway Board Probably Will Consider Seven-Cent Fare Problem in This City

Victoria's street transportation problem will come before the Board of Railway Commissioners at its session here October 11. It was stated on reliable authority at the City Hall today that the Board of Railway Commissioners will have before it the request of the B. C. Electric Railway for permission to charge a seven-cent fare on city street car lines.

People at Mount Newton Will Be inconvenienced; Bridge Unsafe

The Minister of Public Works will be asked by Saanich officials to contribute towards the cost of reconstructing the Hagan bridge, which is declared to be unsafe.

The Council agreed, pending negotiations, to close the bridge to vehicular traffic. It was stated it will entail considerable hardship to the district, as it is a trunk road bridge, on the main West Road, where many persons use the bridge daily, and mails are delivered that way.

A deputation from the Council will wait on Hon. J. H. King on his return to the city.

Councillor Clark hoped something would be done to secure a Government grant for the Ash Road bridge at Mt. Douglas. The Council authorized repairs at a cost of \$50 to this bridge.

Councillor Brooks pointed out that the Hagan bridge was essential, although its safety was questioned by residents. Small automobiles, he said, caused vibrations to be set up, and made people apprehensive. A new bridge was imperative, for an accident might be serious at that point, and costly to the Council.

Ward Appropriations.
The ward appropriations are in most cases almost expended. The amount which was voted each ward this year was only \$4,000. A statement submitted to the Council showed the expenditures in each ward up to August 21. The figures are: Ward 1, \$3,542; Ward 2, \$3,296; Ward 3, \$3,018; Ward 4, \$2,846; Ward 5, \$4,247; Ward 6, \$2,811; Ward 7, \$2,489. Since August 21 other sums have been spent, and expenditures authorized.

Taxation.
Councillor Clark moved that a committee be appointed to go into the whole question of taxation. "Something has got to be done to satisfy the people," he declared. "We have got to take some action to justify our election," he added.

No action, however, was taken at the meeting.

Sewer Situation.
Ready for happier times the Council adopted a resolution to secure the approval of the Secretary of the Provincial Board of Health to the sewer plans. The scheme was recently voted down by a two to one majority.

**MISS STEWART'S
WELL AND HAPPY**

"My, What An Improvement Tanlac Made In Me," Claims Clifton Woman.

"I'm now well and happy again, and words simply can't express the gratitude I feel toward Tanlac for all it's done for me," declared Miss Winona Stewart while in St. Johns, N.B., the other day. Miss Stewart is a highly respected resident of Clifton, King's County, N.B., who was formerly of Cranbrook, B.C., where she lived for a period of ten years.

"I suffered from a bad case of stomach trouble in the form of indigestion and gastritis. My appetite was so poor that I didn't relish a thing, and just had to force myself to eat the little I did. Even this would cause gas to form in such quantities that it would press up into my chest and worry me a great deal. I had such acute pains in my stomach that they almost drove me to distraction, and some days I couldn't even eat a thing. I was simply in misery all during the day, and many a night I would wake up with such dreadful pains that I would just have to get up and walk the floor.

"Nothing seemed to help me until I got Tanlac one day, and my, what a big improvement it has made in my condition. Why, it has only taken five bottles of the medicine to put me in splendid health, and I'm just feeling fine in every way. I have an excellent appetite, and eat anything I want now, without my stomach troubling me a particle. When my friends ask me what I've been taking to make me look so well I don't hesitate to tell them Tanlac. I firmly believe in Tanlac since it's done so much for me, and I just want everybody to know what a grand medicine it is."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas, and Lang's Drug Store, Esquimalt Road.

Girls' Corner Club.—The Girls' Corner Club resumed its meetings after the summer vacation last evening at the Odd Fellows Hall, Douglas Street, when there was a good attendance of members. Tea was served at 6.30 p. m., after which Miss Doris Sweetman and Miss Hamilton contributed solos, Joyce Maynard recited and Rev. A. de B. Owen sang. Mrs. William Marchant gave a short address of welcome to the girls and announced that Miss Lillian Nelson, one of the club members, is leaving shortly to attend the Moody Institute at Chicago with the intention of taking up missionary work. During the evening Rev. Dr. MacLean addressed the girls.

St. Ann's Academy.—The Fall term at St. Ann's Academy will open on Tuesday, September 7, according to an announcement made by the Sister Superior.

Home

Social Personal

Turner Townsend, of Dawson, Yukon Territory, is visiting his mother, Mrs. A. A. Townsend, 137 Clarence Street, and will leave again for the north on September 25. Mr. Townsend was formerly a conductor on the E. & N. Railway and his present visit to Victoria is his first after an absence of nineteen years.

Announcement is made of the marriage at Ocean Falls, B.C., on August 24, 1920, by the Rev. W. Gray, of Maurice Sidney, second son of Edwin and Jessie Frampton, 241 George Road, Victoria, to Edna, only child of Mr. and Mrs. Brightcliff, of 1356 Hornby Street, Vancouver.

J. G. Cory, of Cory & Power, will leave on Sunday evening for his home in Gilbert Plains, Man., and will away will visit his mother, who is lying seriously ill at her home in Winnipeg. He expects to return to the city in about five weeks.

Mr. and Mrs. T. Ham and Mr. Herbert Ham, of Bradford, Ont., and Miss Edna Nurse, and Miss Viola Handley, of Belleville, Ont., have been visiting Mr. and Mrs. Samuel Terrell, Bay Road. They left for home yesterday.

Mr. and Mrs. B. N. Blosser, of Washington, D.C., Miss Bessie K. Cushing of Spokane, and Mr. and Mrs. L. L. Adcox, of Portland, Ore., are guests at the Strathcona Hotel.

Mr. and Mrs. de Macedo and J. S. M. Robson have lately returned to Victoria from a very enjoyable vacation spent at Whistler, B. C., where they were the guests of the Blue Dragon Inn.

Mr. and Mrs. Bottomley, Master Jack Bottomley and Miss Jordan, of Honolulu; Mr. and Mrs. R. H. Seward and Mr. and Mrs. E. N. Gott, of Seattle, are guests at the Brentwood Hotel.

Mr. and Mrs. Knight and Mr. and Mrs. A. K. Boyd, of Nanaimo, J. T. Johnston, of Cowichan, and Mr. and Mrs. A. C. Jeffrey, of Cumberland Bay, where she has been the guest of Mrs. P. J. Mackay.

Mrs. (Dr.) E. H. Griffiths is visiting Mrs. Alfred Bull in Vancouver for a few days, and with her hostess, attended the race meeting at Brig-house Park on Wednesday.

Miss Marjorie Pickett, the well-known Canadian authoress, arrived in Victoria yesterday from Boundary Bay, where she has been the guest of Mrs. P. J. Mackay.

Mr. and Mrs. A. C. Grube, of Long Beach, California, and B. H. Duncan, B. L. Miller and M. Lyman, of San Francisco, are new arrivals at the Strathcona Hotel.

Mrs. C. Archibald, of Cowichan Lake, has been holidaying with Mr. and Mrs. John Blair at their summer home at White Rock, near Vancouver.

Mrs. F. M. Morton and family have returned to the city after spending the summer in Alberta, and taken up their residence at 1327 Balmoral Road.

Mr. and Mrs. W. Everett, G. Porter, Mrs. T. P. Allen and Mr. and Mrs. F. Brammell, of Vancouver, are registered at the Strathcona Hotel.

The Surveyor-General and Mrs. J. E. Umbach, with Miss Millicent Umbach, returned home on Wednesday after visiting friends in Vancouver.

Mrs. W. A. J. Marshall, with her small son, Billy, has returned to Vancouver after visiting her sister, Mrs. Arthur H. Figgott at Mill Bay.

W. Taylor, Mrs. W. Taylor and Mrs. Geo. Taylor returned down from South Wellington and are staying at the Dominion Hotel.

The Misses Dorothy and Elaine Shepherd have returned to the city after visiting Mr. and Mrs. Palmer in Vancouver.

F. Van Norman, C. B. Main and Mrs. Jackson are Duncan visitors who are registered at the Dominion Hotel.

J. T. Hagwood and Mrs. Hagwood, of Kamloops, are visiting Victoria and registered at the Dominion Hotel.

torians at the race meeting in Brig-house Park, Vancouver, yesterday.

Mrs. C. Cowell, Mrs. H. A. Simpson and Mrs. Powers, of Calgary, are staying at the Dominion Hotel.

Mr. and Mrs. H. R. Marshall, of Kurore, Washington, are guests at the Empress Hotel.

J. E. Whitbread and family, of Shawanigan Lake, are guests at the Dominion Hotel.

Mr. and Mrs. E. B. McDermid, of Vancouver, are guests at the Empress Hotel.

Mr. and Mrs. W. D. Priest, of New Orleans, are guests at the Empress Hotel.

Mrs. Irene H. Moody, of Vancouver, is registered at the Empress Hotel.

Wallace Lynch, of Chicago, is registered at the Empress Hotel.

INFANTS' BOOTIES

If you can't crochet or knit get a quarter yard each blue and pink double faced sizerawl. For a pattern use a baby sock or stocking. Cut two pieces just the width of a narrow seam all around larger than the stocking foot and ankle. Stitch together, open the seams and catch each edge down, turn the upper and front edge over once and catch with saw tooth stitch or plain stitch.

Fold an eight-inch piece of tape or narrow ribbon so the ends come together, then fasten the fold to the heel seam about an inch and a half up from the bottom. These are soft and warmer than yarn made booties. The tops can be bound with narrow ribbon if desired. The tape uses about the ankle to keep booties on.

A MATTER FOR LAUGHTER

Employer—"Now, Silas, I want you to be present when I deliver this speech." Silas—"Yes, suh." Employer—"I want you to start the laughter an' dappause. Every time I take a drink of water you applaud, and every time I wipe my forehead with my handkerchief you laugh." Silas—"You better switch them signals, boss. Its a heap 'ot' liable to make me laugh to see you standin' up dar deliberately takin' a drink of water."

WHAT'S IN A NAME?

Facts About Your Name: Its History, Its Meaning, Whence It Was Derived, Its Significance, Your Lucky Day and Lucky Jewel.

By Mildred Marshall.
(Copyright, 1920, by The Wheeler Syndicate, Inc.)

JULIA.

One of the oldest and most classical of names is Julia. The fortunate woman who bears it may be assured that famous women of un-revealed centuries have answered to it, for it exceeds Rome in antiquity. Like its masculine counterpart Julius, it had its origin in the Julian gens that preceded Roman civilization. Various legends are put forth to account for "Julius," and historians differ widely, but the generally accepted theory is that Julius is the diminutive of "Julus," meaning divine, and was evolved in the same manner that Zeus, father of the gods, came to be the Roman Jupiter. If such is the case, Julia may fairly be called a daughter of the gods.

Just as the masculine Julius was famed through Julius Caesar and became hereditary throughout the Empire, so the feminine counterpart was accepted as hereditary and was adopted as an ornamental name in other countries when classical names came into fashion. The "Julie" of Rousseau's "Nouvelle Heloise" made Julie very popular in France, England, Spain and Portugal kept her intact as Julia, but Italy changed her to Giuliana, and Russia added the typically Slavic touch of Julia.

Juliana came into vogue after St. Juliana was beheaded at Nicomedia under Galerius and her relics were enshrined at Rome and later Brussels. The Normans changed it to Julienne, English received it in the form of Julyan, and recalls her heraldic and hunting prioresse, Dame Julyan Berners. Gillian is also a British derivative, which later became Jill, famed in the nursery rhyme of "Jack and Jill." The name is still retained in England in the form of Juliana.

In Brittany Julia makes her appearance as Suliana, which was the name of the nun-sister of Du Guesclin. She became Juliana in Spain and Julitta, or Jolitta, among the French peasantry. Italy calls her Giuliana and her Giulietta, whence Giulietta Capelletti, whose mournful story told in Da Pavia's novel was adopted by Shakespeare as Juliet for his immortal "Romeo and Juliet."

According to Vergil, the name of Julia is unadmittedly, certainly it belonged to a spirited race, for the Julias of history were not pretty by figures, but women of power and position. They were quite fearless, due perhaps to the talismanic quality of their own particular jewel. This mysterious green stone is invested with mysticism by the Mohammedans. It is a sacred symbol which represents the secret thoughts of the soul and the essence of happiness and love. Besides, it possesses the requisite qualities so much used by the Chinese as a curative. Wednesday is the lucky day of the wearer of jade and 5 is her lucky number.

WAS MUCH DECORATED FOR BELGIAN WORK

Mrs. George Knowles on Way to New Zealand to Confer Decorations

Mrs. George Knowles, the last British woman to leave Ostend of October 13, 1914, and the first British woman to re-enter the city on October 13, 1918 following its recapture by Allied forces, is on her way to the coast from Winnipeg. With her husband, to whom she was married in April of this year, she is going to New Zealand as ambassador for the Belgian government. While there, she will confer Belgian decorations on women who rendered invaluable aid on the Belgian front during the time Mrs. Knowles was organizing direct relief for all Belgian civilians.

Mrs. Knowles is a woman whose life has been filled with adventure. During the war, and, in fact, until the Allied forces entered Brussels, she was never a day. She worked with Inspector-General Mellis, K. C. B., of the Belgian forces, and for her tireless work in the cause of the wounded, she was awarded the Chevalier de l'Ordre de Leopold and the Medaille de Reine Elizabeth by the Belgian government. The former is seldom conferred on women, and is only bestowed in connection with extraordinary diplomatic service. In addition, she is entitled to wear the medal of the Reconnaissance Francaise, awarded by the French government, and, in addition, she owns the British Victory medal and the Allied General Service medal.

Faced Invading Germans.

When Belgium was invaded and overrun by the German hordes in 1914, Mrs. Knowles entered the stricken country with a party of nurses and doctors from England. The party was organized to care for the refugees fleeing before the advancing minions of the Kaiser. Recognizing the invaluable work in which she was engaged, the Belgian government asked of her an even higher service in the caring for the bleeding humanity then pouring in from Antwerp.

For two years she was stationed at Dunkirk, the only town that could claim the doubtful privilege of being bombed from the sea, during the war. During this eventful time, Mrs. Knowles was stationed at the Belgian medical headquarters.

Following the successful termination of the war, she was asked by Baron Broeze, Belgian minister of war in 1914, and who later was appointed minister of the interior in 1918, if she would devote her attention to the organizing of the devastated regions of Belgium. This call again, Mrs. Knowles devoted herself to that task from January, 1919, to March, 1920, working unceasingly in her endeavor to eradicate the memories left on the inhabitants by the war. When she left her war work it was to return to her adopted home—England—where she was married the following month. New Zealand is where Mrs. Knowles was born, but

as she admits, England is very much her adopted home as she had lived there twenty years.

Adopts Three Towns.

Although the work of caring for the inhabitants of Belgium is now almost a matter for the universe, Mrs. Knowles has adopted three villages—Mount Kemmel, Neuve Eglise and Westoutre.

She is loud in her praises of the post-war efforts of the Belgians. "The industry of the Belgians is particularly remarkable following their experiences of the war," was how she described her feelings. "The people are working from daylight to darkness; but they are handicapped to a great degree by the lack of wool, flax and machinery," she said.

NEW BRANCH OF SEAMANS' INSTITUTE

Mrs. Alice Thomson, the president, was in the chair at the meeting of the Ladies' Guild of the Connaught Seaman's Institute yesterday afternoon, when a new branch of the guild was formed at Esquimalt, with Mrs. Travis as president. Mrs. Thomson presented Mrs. Travis with a Nelson souvenir in recognition of her work in securing the most members for the Guild. A drawing room meeting was arranged for Wednesday, September 15, to be held at the Empress Hotel, and Rev. W. D. Spence, chaplain of the British and Foreign Seamen's Societies, London, England, will be the speaker.

Flag Day was fixed for Thursday, September 23, and the arrangements are being carried out by Mrs. Deans. The Port Missionary's report and the treasurer's financial report were deemed most satisfactory.

A sale of work will be held at the canteen ground on Wednesday next, September 9, if the weather is favorable, but if unfavorable, then at the Sailors' Club.

RABBIT BREEDERS URGED TO SHOW

In a fine, spacious, well ventilated building, set apart exclusively for the exhibition of the "Aristocrats of Rabbitdom," the executive of the Victoria and District Rabbit Breeders Association are working in connection with the Agricultural Association. The result will be a striking and well planned feature of the Fair. All breeders who have not already received catalogues are advised to apply at the City Hall (Mayor's Secretary) without delay, as all entries must be placed with Alderman Sangster before Sept. 7. Prize cards and cash prizes, together with lots of specialties, already donated and promised, will be paid to all winners. The presence of a well-known speciality judge and a capable and conscientious committee in charge, should ensure the safety and success which is the aim and ambition of this enthusiastic and energetic Association of Rabbit Breeders.

According to the figures furnished by the druggists and other dealers in Hibbing, Minn., the women and girls of that town since the first of the present year have bought 367 boxes of rouge, forty-four flour sacks of face powder, and two and a half gallons of eyebrow black.

Chapter Plans Activities.—Mrs. Anderson, the regent, presided at the meeting of the Herbert Beaumont Boggs Chapter, I. O. E., last evening, when plans were made for the holding of a sale of work early in December. The regular sewing meeting will take place on Tuesday evening next at the home of Mrs. Richardson, 335 Moss Street.

In Europe women play a much more important part in the managerial and producing end of the matrical business than they do in America.

WHAT'S IN A NAME?

Facts About Your Name: Its History, Its Meaning, Whence It Was Derived, Its Significance, Your Lucky Day and Lucky Jewel.

By Mildred Marshall.
(Copyright, 1920, by The Wheeler Syndicate, Inc.)

JULIA.

One of the oldest and most classical of names is Julia. The fortunate woman who bears it may be assured that famous women of un-revealed centuries have answered to it, for it exceeds Rome in antiquity. Like its masculine counterpart Julius, it had its origin in the Julian gens that preceded Roman civilization. Various legends are put forth to account for "Julius," and historians differ widely, but the generally accepted theory is that Julius is the diminutive of "Julus," meaning divine, and was evolved in the same manner that Zeus, father of the gods, came to be the Roman Jupiter. If such is the case, Julia may fairly be called a daughter of the gods.

Just as the masculine Julius was famed through Julius Caesar and became hereditary throughout the Empire, so the feminine counterpart was accepted as hereditary and was adopted as an ornamental name in other countries when classical names came into fashion. The "Julie" of Rousseau's "Nouvelle Heloise" made Julie very popular in France, England, Spain and Portugal kept her intact as Julia, but Italy changed her to Giuliana, and Russia added the typically Slavic touch of Julia.

Juliana came into vogue after St. Juliana was beheaded at Nicomedia under Galerius and her relics were enshrined at Rome and later Brussels. The Normans changed it to Julienne, English received it in the form of Julyan, and recalls her heraldic and hunting prioresse, Dame Julyan Berners. Gillian is also a British derivative, which later became Jill, famed in the nursery rhyme of "Jack and Jill." The name is still retained in England in the form of Juliana.

In Brittany Julia makes her appearance as Suliana, which was the name of the nun-sister of Du Guesclin. She became Juliana in Spain and Julitta, or Jolitta, among the French peasantry. Italy calls her Giuliana and her Giulietta, whence Giulietta Capelletti, whose mournful story told in Da Pavia's novel was adopted by Shakespeare as Juliet for his immortal "Romeo and Juliet."

According to Vergil, the name of Julia is unadmittedly, certainly it belonged to a spirited race, for the Julias of history were not pretty by figures, but women of power and position. They were quite fearless, due perhaps to the talismanic quality of their own particular jewel. This mysterious green stone is invested with mysticism by the Mohammedans. It is a sacred symbol which represents the secret thoughts of the soul and the essence of happiness and love. Besides, it possesses the requisite qualities so much used by the Chinese as a curative. Wednesday is the lucky day of the wearer of jade and 5 is her lucky number.

DECLINE OFFER OF STATE FUNERAL FOR DR. J. S. HELMCKEN

On behalf of the Government of the Province, the Hon. John Hart, Minister of Finance, waited upon the family of the late Dr. Helmcken to express the condolence of the Ministry and to proffer the desire of the Cabinet to accord him a State funeral as a last tribute to his great public service to British Columbia. Mr. Hart was informed, however, that it was Dr. Helmcken's desire that his passing beyond mortal ken should be marked by the simplest of ceremonial, and out of deference to his wishes the offer of the Government was graciously declined.

EXHIBIT OF WORKS OF GIFTED ARTIST

An exhibition of paintings by Miss Mary Mason, the well known artist, will be held under the auspices of the Island Arts and Crafts Club, at Room 203 Union Bank Building, on Wednesday, September 8, at 3 p. m. Although she has been living in Victoria since the beginning of the war and has exhibited studies at the club's annual exhibitions, this will mark the first occasion on which Victorians will have the opportunity of seeing a comprehensive representation of her art. Confining her attention chiefly to figure studies, Miss Mason is particularly happy in portraiture and her work has earned high praise from art critics in Lon-

don, where she frequently exhibited before coming to this city. It is anticipated that Victorians will gladly avail themselves of the opportunity of seeing the work of this gifted artist.

OBITUARY RECORD

Funeral services over the remains of the late Thomas C. Jones were held in the B. C. Funeral Chapel yesterday afternoon at 3:30 o'clock, Rev. F. H. Felt officiating. There was a large attendance of friends, who came to pay their last respects to an old and respected friend and pioneer. Two hymns were sung, "Nearer, My God, to Thee," and "Abide With Me." The remains were forwarded last evening to Vancouver for cremation, the family accompanying.

GARDEN CITY WOMEN'S INSTITUTE

The Garden City Women's Institute met yesterday afternoon at the home of Mrs. Birkett, Jasmine Avenue. The meeting was held yesterday on account of the flower show coming next Wednesday, September 8. Final plans were made and ladies detailed to their various offices. Mrs. Foster who is secretary for the show came over from Stranberry Vale to discuss a few final details. The whole afternoon was spent in the garden, each member doing needlework. Tea was served there later by the hostess.

SHOEMAKERS TOLD ALL LEATHER WILL REMAIN EXPENSIVE

Convivial Gathering Hears Visitors on Trade Situation of Leather

The members of the Victoria and District Shoemakers' Association held their annual banquet and social gathering last evening at the Douglas Hotel.

A most enjoyable time was spent by those present at the festive table, which presented a beautiful display.

Part of the evening was taken up with speech making coupled up with music and song.

Mr. McEwen, president of a large leather concern in Toronto, responding to the toast of the guests' giving his listeners some interesting facts concerning the existing conditions of the world leather market, and predicting that owing to the scarcity of raw material that no real appreciable decline in leather prices was yet possible.

Mr. Francis, of the B. C. Leather Co., Ltd., of Vancouver, also spoke at some length explaining in detail the difficulties his firm has experienced for some time in obtaining goods needed to meet normal demands.

STAYED IN TOWN

William Carlson Paid \$50 Yesterday. But To-day Magistrate Quadruples Price For Him.

William Carlson, who came over from Pon-A-Sa for one day for one drink, which cost him \$50 in the Police Court yesterday, paid the fine and had his bottle of rye whiskey confiscated. He left the court at 10:30 o'clock yesterday morning. At 2:10 o'clock in the afternoon he was picked up on Government Street, happy, but completely unconscious of what was going on around him. He carried under his arms another half-filled bottle of rye whiskey.

When he appeared in court to-day Magistrate said that if he was not satisfied with the cost of \$50 for one drink yesterday, he would make the price to \$200.

Carlson found that he had only \$12 in his pockets. The magistrate said that he was out of luck and would have to go to jail for two months.

NEWS AND NOTES OF THE MINES

Ore Exhibit
That the silver belt of the Slocan City mining division will be dry as usual to capture honors for dry silver ore at the Nelson Fall fair is the word sent in from Slocan City by George Long, superintendent of the Meteor Mine. Mr. Long has got a huge piece of fine looking ore set away in the vault, he figures it will make a bit for the diploma.

There are classes of lead ore, silver ore, copper sulphides, lead ore, zinc ore, the best ore from a shipping mine, and the best exhibit of rare mineral.

The district with the best collection of ore will, as usual, be awarded a silver cup.

Texas-Yankee Girl

Substantial progress is being made in the Texas-Band for one day and Ymie in the blocking out of ore and the operations underground are being carried on steadily, with 50 men on the payroll. John W. Shaw, superintendent at the property situated at Nelson.

Mr. Shaw is going to Toronto to make a report to the head office of the Mining Corporation of Canada. In his absence, A. W. Newberry, the New York engineer who first reported on the property for the corporation and laid out the scheme of work, will direct operations.

Development is proceeding upward from the No. 5 level in the mine by means of two raises about 300 feet and each up now a distance of about 300 feet on the dip vein, both being in ore. There is still about 400 feet to go before No. 2 level, the next one in the vein, is reached. Exploration of the ore body has also been carried on on No. 2 level. At the present time four hammer drills and two piston drills are being used.

BOYS' NAVAL BRIGADE

MOTOR PASSENGER LINER BUILDING

British India Navigation Company Is Building Magvana

London, Sept. 3.—An important development in furthering the use of internal combustion engines on ocean-going vessels will occur when the first motor passenger liner Magvana is commissioned.

The Magvana will have a length of 444 feet, a beam of 58 feet 3 inches and a depth of 35 feet 6 inches, the gross tonnage being 9,000.

Notwithstanding these adverse conditions, there are a number of motor liners being built in England.

The Royal Mail Steam Packet Company, which has not hitherto had any motor ships built, recently ordered three vessels to be used in trade between Great Britain and South America.

Following free and frank discussion with representatives of the Chamber of Commerce and other Seattle men who are interested in the merchant marine act, R. A. Dean, general counsel of the United States Shipping Board, was assured yesterday that Seattle will co-operate heartily in making the act workable and in constructive administration of its provisions.

SOUND SHIPPERS MAKE SERIOUS BID FOR INCREASE IN RATES

Want Upwards of 20 Per Cent Increase in Existing Freight Rates

Seattle, Sept. 3.—Increased passenger fares and freight rates approximating 20 to 25 per cent on both boat and interurban transportation between Puget Sound points are contemplated in revised schedules filed with the Public Service Commission by the respective companies.

While no official statement was made to-day, it is understood that the Public Service Commission will probably suspend the entire series of increases covering Puget Sound traffic and go into an extensive hearing of necessity and justification for the higher rates asked jointly by the various carriers.

All the Puget Sound Navigation Company points and also the Navy Yard Route are included in the September 4 petition.

The principal reason assigned by the latter company for further increase is that fuel oil is now \$2.50 a barrel with the prospect of going higher.

Notwithstanding these adverse conditions, there are a number of motor liners being built in England.

TANKER MAKES PORT UNDER OWN STEAM

Two Oil Vessels in Collision Off California Coast Able to Make Port; No Help

San Francisco, Sept. 3.—The Standard Oil tanker Richmond was proceeding to San Francisco to-day under her own steam, despite a twisted bow and four feet of water in the hold, due to a collision last night with the Union Oil tanker Lyman Stewart off Fort Bragg.

No report as to the condition of the Lyman Stewart was available except she was continuing her journey northward.

The two tankers, bound for Seattle, collided off Fort Bragg, California, at 11 o'clock on Wednesday night, the Richmond, which was towing a barge, being badly damaged.

The two tankers, bound for Seattle, collided off Fort Bragg, California, at 11 o'clock on Wednesday night, the Richmond, which was towing a barge, being badly damaged.

The two tankers, bound for Seattle, collided off Fort Bragg, California, at 11 o'clock on Wednesday night, the Richmond, which was towing a barge, being badly damaged.

PREPARING TO SHIP

Giant Shearlegs Are Ordered to Handle Work of Installing Heavy Boilers

Preparations for the installation of three 58-ton boilers in the Canadian Winner, and a similar number in the Canadian Traveller later, are now under way at the Victoria Machinery Depot, where the dock is being strengthened to withstand the extra strain of the weight of the boilers.

The two tankers, bound for Seattle, collided off Fort Bragg, California, at 11 o'clock on Wednesday night, the Richmond, which was towing a barge, being badly damaged.

UTILIZE TIMES WANT ADS.

BRIEF LOCALS

Oak Bay Council.—The Oak Bay Council will meet at 5.45 o'clock today to discuss the question of the election of a delegate to attend the Convention of Municipalities to be held at Nelson next month.

Sanich Tax Sale.—Sanich tax sale proceeded today, with a large attendance. Upwards of \$25,000 had been received as a consequence of the day and a half's sale up to noon today. Bidding is spirited.

Motor Crushes Bicycle.—Stanley Hennes, who lives in the country, was surprised when his bicycle was run down and smashed on Broad Street by automobile number 8130, driven by W. S. Davison, of 344 Irvine Road.

Vicious Dog Attacks Woman.—Mrs. Cronk, 62 Manchester Road, was badly bitten and seriously injured by a savage dog owned by Clifford Johns, of 1102 King's Road. On the complaint of other residents of the district against the dog, prosecution has been started. Mrs. Allen, 1104 King's Road, witnessed the attack on Mrs. Cronk, it is stated.

Daisy Chain Chapter, I.O.G.E.—The meeting of the Daisy Chain Chapter, which was to have been held to-morrow, has been postponed until Saturday, September 11, owing to the absence of so many members from the city.

To Be Representatives.—Clerk H. S. Cowper, of Sanich, was appointed Sanich's delegate to the inter-municipal committee now being constituted for Victoria and District, the meeting of the Council last evening.

Mill Bay School.—H. B. Wingate-White is in the city to-day from Mill Bay to lodge with the Department of Education a petition to void and set aside the decision of the Mill Bay school meeting of August 28, and to empower the trustees to call a new meeting at which a member of the Department of Education might be present.

Railway Officials Coming.—C. A. Ayes, vice-president of the Canadian National Railways, and W. G. Anderson, assistant freight traffic manager, Winnipeg, arrived in Vancouver this morning. Mr. Hayes will be in Vancouver for several days organizing the staff of the company, and is expected to leave on Monday for Victoria and Seattle.

Doctors at Funeral.—The Victoria Medical Society has requested that a profession as a whole attend in body the funeral of the late Dr. J. S. Helmecken. The remains will leave his late residence, 638 Elliott Street, Saturday at 12.45, proceeding to Reformed Episcopal Church, 1000 to the C. P. R. wharf.

S. C. R. Hospitals.—The Board of Trade yesterday was advised that the Ottawa authorities have given no orders for the removal of Victoria S. C. R. Hospital to the Mainland. "When the matter is being considered," wrote N. F. Parkinson, Deputy Minister of the Department of Soldiers' Civil Re-establishment in a letter to the board, "your message will receive due attention." The message referred to is the board's protest against the proposed removal of the hospital.

Civil Servants to Holiday.—Provincial servants are to knock off work on Saturday, September 11, and charabanc to Goldstream for their grand outing of the year. Everybody will start from Elliott and Government Streets at 11 o'clock. All tickets must be obtained by noon Friday. The programme of sports is under A. Manson. Tea and coffee will be provided, but luncheon must be brought.

Cordova Bay Beach.—The Department of Marine does not consider that it has any jurisdiction with regard to the encroachments said to exist on Cordova Bay beach, by building out fences into the Bay. The view taken by the Department is that Cordova Bay is not a public harbor, and therefore jurisdiction must be with the provincial authorities. The letter was read to the Sanich Council last evening and by it referred to the Victoria-Sanich Beaches and Parks Committee.

Hockey Magnate Dies.—After a vacation trip to the South, Frank Patrick, President of the Arena Company and for many years one of the most celebrated hockey players in the game, is in Victoria to-day with his wife and is spending a few days with his father, Alderman Joseph Patrick and Mrs. Patrick. Mr. Patrick, 1920-1921, would be a big one for hockey in the West, and stated that he and his associates soon would be making preparations for it. With everybody on the Coast thinking only of baseball now, however, said Mr. Patrick, "it is no use talking hockey."

Forgot to Stop.—The way motor car No. 8147 was driven past a standing policeman at a busy hour of the morning resulted in passengers making complaint to the police. The police went in search of the car and found it at the house of F. J. Gamlin, of 1145 Fairfield Road. Mr. Gamlin was let off to-day after being cautioned.

Lost Fortune and Love.—Mrs. Lillian Susan Caldwell Aisen, step-daughter of Brigadier-General Sir Hugh Stewart, was granted a decree nisi to-day in Chief Justice Hunter's divorce court, from her husband, Gustav Aisen, to whom she was married in London, England, in 1908. Both were of good social standing, and had been schoolmates. They came to Canada in 1911, and through speculation lost their entire fortune. After spending some time in the Caribbean, the husband came to Vancouver and became police ambulance driver. He went overseas with the 102nd Battalion and while in London met a woman, who he wrote to his wife, interested him greatly. He wrote that he had decided to abandon his wife as he had lost his love for her. Aisen's sister gave evidence against him and told how she had been comforting Mrs. Aisen, while she was broken working in the Vancouver Veterinary Hospital.

Even Tenor of Bar Conference Is Rudely Disturbed by Report

Ottawa, Sept. 3.—The even tenor of the annual meeting of the Canadian Bar Association was rather rudely disturbed this morning by a report of the committee on the administration of justice, introduced by W. J. McWhinney, K.C., convener.

The report by no means satisfied a certain section of the convention as it were a great number of controversial recommendations.

Some of these were:
Further increases to all judges. Judges' salaries not to come under income taxation.

To Make Fair Arrangements.—A joint meeting of the King's Daughters and the Lady Alderson Chapter was held this morning to discuss arrangements for the catering at the coming Agricultural Fair on September 20. Committee of members of the two societies were formed to look after the following: Buying of supplies, linen, decorating, furnishing and equipment, help and finance. A meeting to make the final arrangements will be held at the Women's Building, the Willows Fair ground, on Monday, September 13, at 2 o'clock.

Teamsters' Picnic Monday.—Logan 365 General Teamsters and Truck Drivers intend celebrating Labor Day by having their second annual picnic at Albert Head. The refreshments are in the hands of capable committee. A good sports programme has been arranged, thanks to the generosity of various city merchants who kindly donated the prizes. The C. & C. Tally Ho service has been engaged, and the picknickers will leave the Labor Hall at 8.30 a. m.

Back Next Week.—According to a communication received at the Parliament Buildings this morning Premier Oliver expects to be back in Victoria towards the end of next week. It is not his intention to remain in the capital, however, as he has made arrangements to put in three or four days in his own riding of Dewdney.

Popular Bandmaster for G.A.U.V.—T. Beattie, who has been bandmaster of the Victoria Labor Band for the past two years, has accepted a similar position with the Grand Army of United Veterans. Mr. Beattie is a musician of many years' experience in military band work. He is also an experienced orchestra leader, and both known as a saxophonist. On Monday afternoon the band will play at the Gorge for the "Made-in-Victoria" campaign.

Forget to Stop.—The way motor car No. 8147 was driven past a standing policeman at a busy hour of the morning resulted in passengers making complaint to the police. The police went in search of the car and found it at the house of F. J. Gamlin, of 1145 Fairfield Road. Mr. Gamlin was let off to-day after being cautioned.

Too Cabaret's Big Bass Drum.—One of the guests last night at the Lodge Cabaret lingered after closing hour this morning and took home with him the big bass drum. Wilson Newitt, manager of the Cabaret, has put the police to work scouring the city for the drum, explaining that without a big bass drum a cabaret orchestra cannot produce appealing jazz. No other drum can take the place of the stolen one, Mr. Newitt said, as it was one toned to the particular fancy of Mr. Warren.

Lost Fortune and Love.—Mrs. Lillian Susan Caldwell Aisen, step-daughter of Brigadier-General Sir Hugh Stewart, was granted a decree nisi to-day in Chief Justice Hunter's divorce court, from her husband, Gustav Aisen, to whom she was married in London, England, in 1908. Both were of good social standing, and had been schoolmates. They came to Canada in 1911, and through speculation lost their entire fortune. After spending some time in the Caribbean, the husband came to Vancouver and became police ambulance driver. He went overseas with the 102nd Battalion and while in London met a woman, who he wrote to his wife, interested him greatly. He wrote that he had decided to abandon his wife as he had lost his love for her. Aisen's sister gave evidence against him and told how she had been comforting Mrs. Aisen, while she was broken working in the Vancouver Veterinary Hospital.

POLICE OUT AFTER ROWDY YOUTHS

Residents of All Parts of City Harassed By Night Organizations

Boys in these last days of school holidays are getting too bold, according to complaints to the police from all parts of the city. The boys are forming district gangs, terrorizing quiet people at night and destroying orchards.

The fury of the language which the boys around the Rose Street and Topaz Avenue district have developed has resulted in the Rev. M. Pritchard appealing to the police. This Topaz Avenue group, the minister explains, meets every evening on the old jail grounds, where their revels are organized. The police are to allow no more night revels there.

Boys in the John Street district have taken to running around in the afternoons without clothes, according to information laid by Mrs. Crozier, of 406 John Street. The way the boys were carrying on was particularly offensive on August 31 and September 1, when they held their high links between 3 and 5 o'clock in the broad afternoon. On these occasions as well as in the evenings, it was not safe for respectable women or young girls to go up the street, it is alleged.

Names have been obtained by the police for prosecutions.
Boys in Victoria West have formed a gang with headquarters at night around Clearhue's corner, according to I. J. J. Fisher, of 421 Craigflower Road. These boys in organized squads raid all the orchards of the district after dark. The police are going to break up this organization.

On the complaint of M. Young, 124 Pembroke Street, the police have started out after another fruit stealing gang in that part of the city. This gang carries on its work at night.
Cattle being allowed to run wild are becoming so destructive in the northern part of the city that the fences of the Cook Street property near McNair, of M. Mitchell, 1415 Lang Street, have been broken down and a potato field partly destroyed.

MAYOR DEFENDS CITY'S POLICY

Says Expert Could Not Have Expedited Bridge Negotiations Here

Appointment of an expert engineer to supervise the construction of the new Johnson Street Bridge would not have expedited bridge negotiations in the slightest degree, Mayor Porter declared to-day while making vigorous denial of statements appearing in an editorial article which appeared in the morning paper to-day.

"The appointment of an expert engineer would not have had the effect of speeding up the bridge preliminaries," the Mayor asserted. "The Council's policy in the matter has not been responsible in any way at all with the delay which has occurred. An expert could have done no more than the Council and the City Engineer have been able to do. The delay has not been the fault of the Council but has been due to the fact that the Canadian Pacific Railway has found it necessary to object to certain phases of the bridge plans."

"Besides, we have had the aid and advice of Mr. Proctor, the Chief Engineer of Railways of the Provincial Government, who has represented the B. C. Railway in approving the bridge plans and so forth."

The Mayor has called a special meeting of the City Council for this afternoon to decide whether City Engineer F. M. Preston should proceed to Montreal to confer with C. P. R. engineers on the bridge plans, as proposed by the Railway Company.

DOMINION EXPRESS RATES BEFORE BOARD

Toronto, Sept. 3.—The Dominion Express Company has heard the case of the Dominion Express Company in its application for increased rates. At the conclusion, it was stated by counsel representing the Canadian Express Company that they were not ready to go on the Board for further hearing till it returns from the West about the end of September.

OUTCOME OF SEDAN DAY IN GERMANY CAUSES CONCERN

Paris, Sept. 3.—Considerable anxiety is expressed in French official circles as to the outcome of the Sedan Day manifestations in Germany. Reports received by the Foreign Office indicate that the French agitation has become extremely violent in Hamburg, where the walls are covered with posters calling on the people in inflated terms to manifest their sentiments. Uneasiness is felt regarding the safety of the French members of the Allied Commission there.

CALDER RETURNING.
Montreal, Sept. 3.—Private cable advices here this morning state that the Hon. J. A. Calder, member of the Federal Cabinet, will return to Canada from London, in the course of a couple of weeks.
Exhibit of Paintings.—An exhibition of paintings by Miss Mary Mason, under the auspices of the Island Arts and Crafts Club, will be held at 202 Union Bank Building, and will be opened at 3 p.m. on Wednesday by Lieutenant-Governor Prior. The committee hopes this opportunity will be fully taken advantage of by Victorians.

To the Teacher of Music—

An Invitation

We cordially invite teachers and students of music to visit our Sheet Music Department and inspect our abundant stock of the newest studies and pianoforte classics.

We can provide the complete Boston or Schirmer Libraries and other helpful pieces, such as the following:

EXPECT TO HEAR DOMINION EXPERT

It is hoped to have A. W. Campbell, Dominion Highways Commissioner, at the convention of the Good Roads League of B.C., at Nelson, on Oct. 5 and 6. For some years the League officers have been trying to get Mr. Campbell out with a view to impressing on him the need of additional federal aid for road building in this province. In view of the unusual conditions here, in other provinces the trans-provincial highways are continuous, but here the Hope mountain makes a gap, and the contention is that the federal government should take into consideration the unusual difficulties of completing this link and come through with a special grant. It now looks as if the efforts would be more successful than in the past for Mr. Campbell has written Secretary H. Frank Bird that he is trying to arrange a tour of the Western provinces in September and October and if his plans materialize will be glad to attend the convention and speak on road improvement.

Callan's Pair of Boots Give Game to Capitals

Yakima Outfielder Assists Victoria to Three Runs in First Inning; Morton Succeeded in Beating His Old Rival Valencia; Crab-Apples Played Poorly in Field

Right-Fielder Callan, of the Crab-apples, presented Manager Leard with yesterday's game at the Stadium. He could not have done it more effectively had he handed it to him on a silver platter. Callan's largeness of heart was smitten by the struggling efforts of the Capitals to win the pennant. He opened wide his hands and let a fly and a grounder sift through and made sure that the Capitals would have no trouble in lifting the game.

It so happened that Lefty Valencia and Harry Morton were announced as the slab-artists. This pair engaged in a seven-inning tie-up on Monday and it was expected that another thrilling encounter would be staged. But the two thousand odd fans were treated to a very loose game. The Yakima fielders staged a comedy of errors and Cadman and Raymond persisted in making the whole show more ridiculous by their incessant crashing at almost every decision made by Umpire Schilling.

A Loose Game. There was nothing much wrong with Valencia's twirling, but he was continually in the hole through his team-mates' boobies. On the other hand Morton was backed up by brilliant fielding by the Capitals. He was very unsteady at times and was far from being in the form he showed on Monday. Zienke saved a couple of runs in the eighth by his spectacular catch against the centre-field fence. Leard's fielding was lightning fast. He figured in two double plays.

The Fans Brighten. There were a lot of sad faces in the stands as the Capital sluggers faced Valencia. Elliott flew out to Strand. Leard slapped a single to the outfield and Brown followed with a blow to Callan, who allowed the ball to wander through his legs to the fence. Leard going to third and Brown to second. Carman decided to test Callan's eye-sight, and he lifted a fly ball to him which looked like a sure out. But the right-fielder was not a bit anxious to retain possession of the ball and let it tumble from his glove. Leard scored on the error. The stands were in an uproar as Dempsey came to bat. His drive was nailed by Gorman. Carman stole second. Church then made up for his bad judgment in the first by poking a hot drive to Harrigan, who fielded quickly and made a throw to first. Church made a daring slide and upset Lafayette and the ball went to the fence, allowing both Brown and Carman to score and putting the Capitals camp.

Nothing further happened until the Capitals came to bat in the fourth. Church drew a pass and moved to

More Entries Received For Big Golf Competition

Many additional entries for the City Golf Championships to be held at the Colwood links this week-end were received to-day, which proves the wisdom of the committee's decision to extend the time limit for the reception of entries. The last entries, however, must be in by this evening to J. M. Wood, chairman of the Entrance Committee, P. O. Box 1262, as the lists must be completed for the qualifying round, which is to start tomorrow morning.

The officials of the clubs are particularly gratified at the way in which all the golfers of standing in this city have entered the tournament. One thing which remains to be done to ensure the success of the competition is the transportation of players to the links. The officials are hoping that all players who have cars, will gather at Terry's Drug Store between 8.30 and 9 o'clock to-morrow morning to convey the players who do not possess cars to the links. The car-owners are also asked to be at Terry's later on that day. Each player must again on Sunday morning between 8 and 9 o'clock.

Play will commence early to-morrow morning, and the qualifying round must be completed by to-morrow night. The flights will be on Sunday, and on Monday, and the finals will be held on Monday afternoon. For players eliminated in the flights a bye-card eclectic competition will be held on Monday.

The Qualifying Round. Owing to the fact that many of the entrants in the tournament have not been in such a big competition before, Conrad Schwengers, secretary of the Match and Handicap Committee, gives the following information: Every player entering the tournament must play in this qualifying round. It does not matter whether a player beats his opponent or not. The only idea of having an opponent to certify to the other player's score. The thing necessary is to make the round in the least number of strokes possible. No one gets knocked out in the qualifying round.

On Saturday evening every player will have turned in his card showing the number of strokes he took to make 18 holes. The committee then takes all these individual scores and picks out the 16 players who have the lowest number of strokes to their credit. These 16 players will be put in the "Championship Flight" and they will be drawn against each other to commence playing off on September 6 by match play. These matches will last until it is brought down to the final on Monday afternoon. The next 16 best scores will be grouped together in what will be known as the "First Flight" and they will play off similarly by match play. The third 16 best scores will be similarly treated and so on right down the list, so that every player will be grouped in a flight of 16, with those having approximately the same score and will play off in the various flights by match play. All these groups of 16 will be drawn on Saturday night, and Sunday morning's paper will an-

WINNIPEG FOOTBALL TEAM GOES AFTER CANADIAN TITLE

Winnipeg, Sept. 3.—The Winnipeg Redwings carrying with them the Connaught Cup hopes of the West, left last night for Toronto. They will play the first of a two-game series for the Dominion Soccer Championships with the Westinghouse team of Hamilton on Saturday.

CARPENTIER LEAVES FOR U.S.

Paris, Sept. 3.—Georges Carpentier, heavyweight champion of Europe, will leave for the United States to-morrow, according to newspapers here.

LONG AND SHORT OF IT

This is "Tiny" Marshall with Audrey Griffin under his wing. Marshall is looked upon as one of the dangerous men in the Times swim-to-morrow. He holds the British Columbia championship of the grand average. Trooh's house this week-end. The swimmers who will try for the award are Grace Wellburn, Rosie Robertson, Gerald Wellburn, Percy Pitt, Jim Wood, and Earl Squire.

FRANK TROEH BREAKS RECORDS AT TRAPS

Toronto, Sept. 3.—Frank Troeh, the Vancouver Washington, crack shot, broke 290 straight in the last trap yesterday in the International trapshooting tournament in connection with the Canadian National Exhibition. Troeh is now only four birds behind E. F. Woodward, of Houston, Texas, in the grand average. Troeh, with 227 smashed the Canadian long run record held by Frank Wright, of Buffalo, with 213.

SIX SWIMMERS TO TRY FOR AWARD OF MERIT

Six members of the V. A. S. C. are going to try the R. L. S. S. examination for the Award of Merit. J. D. McNeill and Warren Long have been appointed by the Royal Life-Saving Society as examiners, and the tests will be held at the V. A. S. C. clubhouse this week-end. The swimmers who will try for the award are Grace Wellburn, Rosie Robertson, Gerald Wellburn, Percy Pitt, Jim Wood, and Earl Squire.

LEAGUE STANDING

Table with columns: Team, Won, Lost, Per. Victoria: 67, 44, 604. Yakima: 65, 45, 578. Vancouver: 62, 47, 588. Tacoma: 63, 50, 588. Spokane: 52, 56, 480. Seattle: 22, 86, 204.

MEMORIAL DAY FOR CHAPMAN AT CLEVELAND

Cleveland, Ohio, Sept. 3.—To-day will be observed at American League Park as Memorial Day for Ray Chapman, Cleveland shortstop, who died as the result of being hit by a pitched ball. Ten minutes previous to the start of the Cleveland-Detroit game a bugler from the Cleveland Naval Reserves of which Chapman was a member, will sound taps and the flag will be half-masted. The players of both teams and the fans will stand at attention. Then a chorus of 100 voices will sing "Lead, Kindly Light," an orchestra will furnish the music. The game will be first game at home since Chapman's death.

MEET THE REQUIREMENTS OF THE LAW

By fitting your car with a pair of Non-Glare Lenses. We have all sizes in stock. Revercomb Motor Co. Distributors for Vancouver Island. 555 Yates St. Phone 4919.

Twenty Swimmers Will Start in Times Race

Pick of Victoria's Aquatic Talent Will Compete Over Long Course From Causeway to Gorge; Start Will Be Made at 2.30 o'Clock Sharp; Keen Interest Aroused Over Swim.

Twenty of the fastest and strongest swimmers in this city will take off from the landing stage at the Causeway to-morrow afternoon at 2.30 o'clock to wrestle for the honor of winning the third annual Times long distance swim through Victoria. The race this year is expected to be the keenest ever held. The swimmers are more evenly matched and some of the new faces in the race have excellent reputations and will make things very interesting for the winners of former years. The race will finish at the Gorge Bridge.

Will Post Spectators.

George I. Warren, who is acting as announcer and referee, will make frequent announcements through a megaphone as to the progress of the swimmers. It is expected that thousands of people will gather on the Causeway to see the start, on the bridges which cross the course and other points of vantage. Mr. Warren will inform the spectators of the position of the swimmers.

Adequate arrangements have been made to look after the swimmers. Dr. J. F. Vye, the club physician of the V. A. S. C., with W. H. Davies, marshal of ceremonies, will be in the speed boat, Legal Limit, and attend to any swimmers who may find it impossible to complete the distance or lakes course. The large motor boat which has been provided by the Marine and Fisheries Department will carry the judges and be the pilot-boat. The speed-boat, Blue Bird, of the J. B. A. A. will carry the timekeepers and the pressmen.

The Y. M. C. A., which will hold a boys' gain at the Gorge in the afternoon, has arranged to provide hot drinks for the swimmers at the finish of the race.

The entries received so far are as follows: John M. Hedley, James E. Bowden, V. A. S. C.; Audrey Griffin, Lou Godfrey, Edna Curry, Marie Daniels, Florrie Gates, Frances Bayley, Victor Bond, and Harold Sewell, of the V. I. A. A.

IN OTHER LEAGUES

VICTORIA'S CRICKET ELEVEN IS STRONG

Picked to Win Over Vancouver—Think Some Cricketers Have Been Slighted

(By Veritas) The team chosen to represent Victoria in the Inter-city game on Labor Day at Jubilee Hospital, appears to be fairly strong in some respects. At the same time it seems strange that the selection committee should have overlooked the claims of such men as Major Cobbett (Garrison) one of the finest cricketers in the city...

Considering that two teams are tied for the leadership of the league with the Congos at present in the position of runners up, surely some members of the other teams might have received consideration, particularly as the Victoria team was defeated twice in eight days by one of the teams which has not a single representative on the "Rep" team.

However as stated above the team as chosen appears to be a fairly strong one, and should succeed in winning the rubber on Monday, when Vancouver may finish second this season, although it is understood that the Vancouver team is bringing over one of the strongest elevens they have been able to get together for some time.

Finish Cricket Series. The cricket tournament will be brought to a conclusion on Saturday with a final game between Victoria and the Congos, and a large number of spectators is looked for when these two teams meet in what should prove to be the most interesting game of the season. The Victoria team will probably win by a narrow margin.

V.A.S.C. PICK NEW POLO TEAM FOR GAME

The V. A. S. C. have had to pick an almost new team to play the Victoria Water Polo Club on Monday next at the V. I. A. A. gala for the Little & Taylor Cup. One of the regular players is sick and two will be absent from town on that date. The new team picked is composed of younger, though faster men, and they are all very keen and promise a better game for the V. W. P. T.

LEE DEMPSEY WEDS MISS BURR TO-DAY

Leland Frederick ("Lee") Dempsey, first baseman of the Capitals and Home-Run King of the Pacific International League, made his greatest hit of the season this morning. Dempsey shifted the scene of his engagement from the diamond to the altar, when he took Miss Irene Frances Burr, of Illinois, to be his wife.

The wedding comes as the finale to a romance between the young couple. Dempsey first met Miss Burr in California, and about three months ago she was here playing at the Pantages Theatre. Since then Miss Burr completed her contract and hastened here in response to messages from Mr. Dempsey.

LADY SWIMMER FAILS TO SWIM THE CHANNEL

London, Sept. 3.—For the second time, a woman has attempted to swim the English Channel and failed. Mrs. Arthur Hamilton, daughter of the late Sir Charles and Lady Cunningham, started at Margate's Bay last evening at 6.10 o'clock with Cape Griesez, near Calais, as her objective. This morning she was forced to abandon the attempt near the South Goodwin Sands.

Mrs. Hamilton was the first woman to make the trial since Annette Kellerman failed fifteen years ago. Mrs. Hilda Wilding, an English woman, intends trying to swim the Channel in the near future. Mrs. Hamilton was in the water twelve hours and says she got to within nine miles of France. She attributed her failure to the heavy seas. Nevertheless she declared she had accomplished what she set out to do—to set a new record for women swimmers.

Mrs. Arthur Hamilton's failure to swim across last night and thereby be the first woman to achieve success, has not deterred Mrs. Hilda Wilding, another Englishwoman, from making the attempt to-day. The American swimmer, Henry Sullivan, of Lowell, Mass., who made an unsuccessful effort last week, plans to swim again Sunday night. Last week two young women started out to scull across from England, but were compelled to give up. Recently Miss Zetta Hulls got almost across on a water cycle, but the machine broke down. The only two of the many swimmers who have succeeded were Captain Webb, who crossed in 1875, and W. T. Burgess, in 1911.

BOY-SWIMMERS' GALA AT GORGE TO-MORROW

One Hundred Lads Enter in Gala Which is to Promote Swimming

Nearly 100 entries have been received for the boys' swimming gala which the Y.M.C.A. will put on at the "Edna" Course on the Gorge to-morrow afternoon. Swimmers have been entered from the V.A.S.C., V.I.A.A., Public Swimming Baths, and the Y.M.C.A. so that good competition should result.

The races are open to all boys of the city, and as this gala has been arranged to help encourage the younger swimmers, it is hoped that every boy who aspires to improve in his speed swimming or diving will enter. It is hoped to make this gala an annual affair.

Native Sons Cup

The big feature of the meet will be a competition for the fine new cup presented by the Native Sons (Post No. 1, Victoria), with medal, which goes to the boy under 18, winning the highest number of points in the 50-yards, 200-yards, 100-yards, and 100-yards, and diving. Besides the cup, the boys are putting up medals in each race.

For boys under 15, there is the 50-yards, diving, 25-yards for beginners (boys who have learned to swim this year) and a special race for Native Sons, boys born in B.C.

For boys under 18, the events are 25-yards and 100-yards. The comedy event will be the pillow fight on a greasy pole, for boys under 15.

SEATTLE NOW WANTS TO HAVE LACROSSE

Klepper, Baseball Magnate, Anxious to Introduce National Game to Americans

Vancouver, Sept. 3.—Seattle will have lacrosse next year, according to J. C. Klepper, president of the Seattle Ball Club of the Coast League. In a letter to Fred Muldoon, business manager of the Terminal, Klepper states that he is coming to Vancouver with a party of friends for the Labor Day match and that he intends to have a talk with the B.C.L.A. leaders in connection with plans to introduce the game in the sound city next year. Klepper states that keen interest is taken by Seattle sportsmen in the Minto Cup series and he believes Canada's national game will go big on the other side.

BETTING LIGHT ON HEAVYWEIGHT BOUT

Dempsey and Miske in Great Shape For Scrap—Fight Regardless of Weather

Benton Harbor, Mich., Sept. 3.—Rain will not cause a postponement of the heavyweight championship contest between Jack Dempsey and Billy Miske, set for Monday afternoon. Promoter Fitzsimmons announced to-day, the ring and a large part of the open air arena will be covered with a huge canvas early on the day of the fight if the weather is threatening, and the heavyweight boxers will go into the ring on scheduled time no matter if there is a down-pour.

The referee situation is expected to be cleared up to-day with the arrival of Thomas Bigler, chairman of the state athletic commission. Jack Kearns, manager of the champion, said that he would insist upon naming an official of his own selection.

Little Betting

Only a few scattered wagers have been made on the outcome of the fight. There is plenty of Dempsey money in sight, but the Miske dollars are scarce. One wager of \$5,000 at even money that Miske will stay the limit, was matched up quickly. One bet of \$10,000 to \$3,000 was recorded that Dempsey would win.

Training Hard. With but one more day of hard work remaining in their training grind Jack Dempsey and Billy Miske yesterday gave their sparring partners a vicious mauling for six rounds. Speed was the watchword, and after the workout Dempsey and the challenger then boxed at top form.

Dempsey, however, got the best of the workout as he travelled three murderous sessions with Harry Greb, the Pittsburgh light-heavyweight another trio with Marty Carrell, Pacific Coast middleweight. Miske feels the lack of capable sparring mates, and he was compelled to set pace himself. There will be very little difficulty in the weight Monday. Dempsey scaled 189 pounds before his workout, and it was announced Miske also tipped the beam at that figure.

NATIONAL LEAGUE

St. Louis, Sept. 3.—Ring pitched and batted Cincinnati to a 3 to 2 victory over St. Louis. Ring's double in the second drove in two runs and his sacrifice fly in the fourth scored the visitors' other tally.

The scores—R. H. E. Cincinnati 3 10 1 St. Louis 2 6 1 Batteries—Ring and Wingo; Haines, Kircher and Clemons.

Pittsburgh, Sept. 3.—New York defeated Pittsburgh, 5 to 1. Barnes pitched well after the first inning. Hamilton was unsteady.

The scores—R. H. E. New York 5 12 0 Pittsburgh 1 9 1 Batteries—Barnes and Snyder; Hamilton, Wisner and Schmidt.

AMERICAN LEAGUE

Boston, Sept. 3.—Boston continued its aggressive playing against the pennant contenders by defeating New York 6 to 2. It was Myers' fifth straight victory. There were five double plays.

The scores—R. H. E. Boston 6 4 1 Philadelphia—Shawkey, McGraw and Rupp. Myers and Shanks.

Philadelphia, Sept. 3.—Philadelphia made it three straight from Detroit when Harris' arm and Perkins' bat sent the downers to 2 to 0 defeat. Harris allowed Jennings' men only two safe blows. Oldham worked well after the opening, striking out eight men.

The scores—R. H. E. Detroit 0 2 1 Philadelphia 2 9 2 Batteries—Oldham, Morjette and Stange; Harris and Perkins.

Coast League

At Los Angeles—R. H. E. Seattle 1 9 1 Vernon 3 3 1 Batteries—Shoor and Baldwin; Houck and Devorner.

At Salt Lake—R. H. E. Los Angeles 5 10 1 Salt Lake 3 7 2 Batteries—O'Dham and Bassler; Gould, Cullop and Jenkins.

At Sacramento—R. H. E. Oakland 5 10 2 Sacramento 4 6 0 Batteries—R. Aggett and Dorman; Penner and Schabg.

At Oakland—R. H. E. Portland 2 9 2 San Francisco 4 15 1 Batteries—Kallie, Sutherland and Kohler; Scott and Agnew.

International League. Indianapolis 3, Louisville 2. Minneapolis 5, Kansas City 4.

Johnston Defeats Norris Williams II. Forest Hills, N.Y., Sept. 3.—William M. Johnston turned aside a formidable aspirant for his honors when, by forceful playing, he defeated E. Norris Williams II. in the fourth round of the thirty-ninth all-comers national tennis championship singles yesterday.

The two stars of the Davis cup team fought at the all-court type of St. Johnston mastering his opponent in straight sets, 6-2, 6-4, 7-5.

This was the outstanding battle of the day, although in the other matches of the round form prevailed and William T. Tilden II., world's title holder, Wallace F. Johnston, the wizard of the shop stroke, G. Colket, Caner, Walter Westbrook and Watson M. Washburn were winners. Washburn accounted for the defeat of Charles S. Garland of the Davies cup country team, beating him 7-5, 7-5, 7-5.

VETERANS OF MOUNTED POLICE IN SESSION

That it is not the policy of the Soldiers' Settlement Board to place returned men on the land in inaccessible places was the reply sent to the Saanich Council when complaint was made by the Council with regard to the conditions in Burnside Park.

The Council found on examination that two persons were living in the bush, which means of communication, and took the matter up with Ottawa.

The Board states in its reply that it would call the attention of the Victoria district office to the situation, and ask for a report thereon.

NO NEED TO WORRY

The fortune-teller said I would meet with a fatal accident. "Marcy!" But she said not to worry; she wouldn't happen till the end of my life.

PRESS BOX BINGLES

Valencia had the right spirit. He wanted to win or lose the game playing baseball and tried to quell the verbal eruptions of his team-mates. He might as well have tried to seal Vesuvius.

Umpire Schilling showed the fans he had a backbone when he ordered Lilly out of the park in the seventh inning. The wily "rab-apples" have been trodding on Schilling's feet this week would have made a corn squeal.

Paul Strand showed the fans some nice fielding. He robbed Leard of two doubles by racing into left-centre and picking the pellet out of the ozone with his left hand. He made both catches in exactly the same manner and place.

There came near being a casualty. One of Carman's wicked drives took a bad hop and bowled German in the back. The little fellow pluckily resumed his position after a few minutes.

Carman and Raymond again tried to bow the show. For a time it looked as though Carman was in charge of the game. Finally Schilling waved his fingers at him and save for a few intermittent barks, the Carman was quiet. He struck out three times.

Morton did not show anything to recommend him to the big league scouts. He fugged badly at the close, and had to thank his defenders for saving the game.

Russ Hall, who used to handle clubs in the Pacific Coast League, is here representing Cincinnati. Russ is looking over several of the local players. A sale may be reported any day.

Bill Leard and Tealey Raymond played in Rube back in the boom days. Tealey was the shortstop and Leard second baseman. They say this pair were pretty good talkers then.

James will be on the mound for Victoria to-night. Woffram will probably be sent against him. This should be an airtight game.

Two more wins and the pennant cannot be taken away from Victoria.

New Suits and Overcoats For Fall and Winter

September evenings have a nip in the air that foretells the advent of a colder season. It is a reminder that the purchase of heavier Suits, Overcoats and Underwear should be considered.

We suggest that you inspect the new apparel at this store, for, as usual, our display is abundant and values excellent.

The Aristocrat of Feathered Game

—this is the term that has been justly applied to the woodcock. Although smaller than the woodcock of the Old World, it, of all game, affords the keenest zest for the hunter.

The woodcock ranges from Southern Manitoba east to Southern Quebec and Nova Scotia. The best grounds today are undoubtedly in the last-named section. Good covers are hard to find nowadays and big bags are a thing of the past.

The woodcock is a migratory bird and the open season begins after most of the cock have left for the south. The occasional bird that gets up in October, as one beats the covers for grouse, adds to the sport, and the wonderfully elusive flight of the bird makes the successful shot one to be remembered. Woodcock demand the careful selection of ammunition with the dependable and accurate qualities of

DOMINION Shot Shells

Canuck, Sovereign and Regal are all good woodcock shells, backed by the big "D" trade-mark. Use No. 8 shot and the load best suited to your individual requirements. Each of these shells is steel reinforced and water-proofed, and loaded with double-chilled shot.

Our new game book, "The Call of Canada," with illustrations of Canadian game birds and animals reproduced in full colors, contains valuable information that will interest you. Every sportsman should have a copy of this beautiful book in his library.

Send 50c. for your copy to-day. Advertising Department, P.O. Box 1200, Montreal, Canada.

VARIETY
Hobart Bosworth is one of the most robust and virile actors identified with the screen. He entered upon his stage career at eighteen and he fought his way to the top-rung of his profession. An athlete, he is fond of all sports. Some fifteen years ago he engaged in motion picture work on the Pacific Coast and in 1913 he formed his own company to produce Jack London stories. Following his version of "The Sea Wolf," which has since been produced in another form by Famous Players-Lasky Corporation, he went into vaudeville and later contracted with Thomas H. Ince for a series of picture productions. His portrayal in "Behind the Dog" accentuated his fame as an actor of exceptional artistry and his role in "Below the Surface," in which he is seen as a brave, resourceful deep sea diver, will be a notable addition to his gallery of screen portraits. "Below the Surface" is the attraction at the Variety Theatre this week.

COLUMBIA
Were you to make a list of the greatest adventure stories in the world, which one would you name first? In nine cases out of ten, it would be Robert Louis Stevenson's "Treasure Island." Here is a novel, by one of the most famous writers who ever lived, that has delighted hundreds of thousands of young and old. It has more absorbing and thrillingly moving screen melodrama; more romance than the finest love story; and it possesses, in addition, the high spirits and glamour of the old swashbuckling pirate days of the Spanish Main. "Treasure Island" is on the Columbia's screen all this week.

ROMANO
A superb, dramatic Paramount-Artcraft feature, "The Miracle Man," which is on view at the Romano Theatre is declared to be one of the really great screen dramas of recent years. It was written by Frank L. Packard and produced as a stage play by George M. Cohan and packed the Broadway Theatre in the season of 1916-17, where it played for many months. The screen version is said to be even more absorbing and thrilling in its development of the striking story, which shows the marvelous transformation under the beneficent influence of an ennobling environment of four of the most notorious crooks of New York's underworld.

DOMINION
The scene, as they say in the printed plays, was the Lasky studio. Under the lily white sheets that adorned the bed lay Wallace Reid, a towel around his forehead and a pained expression in his eyes. Near him pretty Babe Daniels stood waiting anxiously, while a grave doctor examined Wallie's heart with a stethoscope.
Wallie stirred uneasily. The doctor frowned. The director started forward with shout.
"Time out!" cried Wallie suddenly to the camera men and sprang out of bed.
A few hurried words to Babe Daniels. She smiled and nodded. Wallie placed his arm about her and, disregarding the scandalized director, swung into a lively jazz dance step. Just as they did in the previous Reid picture, "The Dancin' Fool." When the music stopped, so did the dancers, and Wallie climbed back into bed.
"I couldn't help it," he apologized laughingly. "I'm sick of acting sick, and the jazz music started me off. Proceed with the examination, doctor, please."
So Wallie became the hero of "Sick Abed" again. According to the picture, he was just feigning illness to help a friend out of a lugeable mess. The film, which is a Paramount Artcraft, will be shown at the Dominion Theatre all week.

PRINCESS
"The Cinderella Man," now playing at the Princess Theatre, has an elusive charm which holds one spellbound. Miss Page as the fairy godmother of "The Cinderella Man," has a delightful role and one can see that she loves it from the way she plays it. Byron Alden as the "Cinderella Man," is at his best, and Frank Ellis as "Romney" is most lovable, while Arthur Elton, Tom Sullivan and in fact all the players make a splendid showing in their cleverly-drawn characters.

PANTAGES
A tabloid musical comedy that is a real leader in vaudeville tops the Pantages Bill this week. It is the Greenwich village romance entitled, "A Little Cafe," an effective mixture of comedy, music, costumes and dance. "A Musical Highball" is the classy offering of Klass and Termini, who work wonders with the violin, accordion and piano. Ward Brothers have a good line of dialogue and their eccentric dancing is remarkably clever. Barnly Williams & Company appear in "Hunting," a laughable comedy ably presented. Morgan Davis and Lulu McCoy sing some captivating comedy songs and offer an amusing line of patter. Kremka Brothers appear in a series of superlative gymnastic feats. A second installment of the Pathe serial, "Traded by Three" concludes the programme.

CRITERION
The next play will be "Sis Hopkins," the much-talked-of comedy which broke all box office records for eighteen years or more playing from coast to coast. "Sis" is a splendid comedy part and Miss Page is preparing a specialty for the schoolroom scene which will give her friends and admirers an opportunity of seeing her in an entirely different line of work to anyone seen here during this engagement. "Sis Hopkins" will open Wednesday, September 8, and it is a "bumdinger" and no mistake.
Night performance takes place at 8:30 and matinee at 2:30 o'clock.

ENTERTAINMENT FOR G.W.V.A. BAND UNIFORMS
An entertainment under the auspices of the G.W.V.A. will be held at the Princess Theatre, on Sept. 7, at 8:15 p.m.
Mr. Carvith Wells the British explorer will give an address. Remarkable tales, accompanied by pictures of Malay natives, customs, wild animals, elephant catching, huge snakes, flying animals, dwarfs and pirates, will be related.
The G.W.V.A. band will be in attendance throughout the evening, and before the National Anthem is played, a tableaux will be shown of Mr. Wells and six children in full Malay costume. The object of the entertainment is to provide new uniforms for the G.W.V.A. band, who are still wearing the uniforms of France.
All the people of Victoria are invited to make this gathering a success.

REFUSE PERMISSION
Saanech Council Declines to Accede to Request of Road Superintendent.
An echo of the sharp division of a week earlier was heard at the Saanech Council last evening, when the council refused to grant Road Superintendent G. G. Gilling a holiday at once. The majority who voted for this action, declared the work was too important at present to have the superintendent away.
Mr. Gilling, who was dismissed by the Council a week ago, asked for a month's holiday, after five and a half years of service as superintendent.
Some of the Council were anxious to give the holiday after the West Road paving is done, but Councillor Dooley blamed the Council for allowing its zeal for economy to outrun common sense. Mr. Dooley declared that "this cheese pairing policy has been done with a vengeance."
Councillor Clark: There will be some more cheese pairing yet done here.
A motion to give the holiday was then moved.
"You are trying to camouflage the issue, and put this man back on the job to spend some more money," observed Councillor Clark.
Councillor Terrell said he was not surprised at Mr. Gilling's action, after the way he was treated during the last meeting.
Councillor Dooley: You dismiss a man at one meeting, and then at the next say you cannot get on without him.
Councillor Tim said he had been road superintendent for nine years, and had not sought a holiday.
Councillor Brooks remarked that it was peculiar to ask just at the present time. What would he think of a man taking holiday in harvest time?
The Council then divided with the above result.

BOOSTER TAGS ARE CANADIAN MADE
The tags which have become familiar around the city during the past few days, as the emblems of those who have signed pledges to observe Mackinac Victoria Week, have caused some comment on the fact that they have been made in Montreal.
In explanation the Publicity Committee state that the only factory in Canada where such tags are produced is the one which has provided these buttons.
Before the order was placed the necessity of any badge at all was thoroughly canvassed, and it was found that the provision of some badge was a necessity to prevent much canvassing of people who had signed pledges early in the drive.
Celluloid buttons were selected as being by far the most economical badge obtainable, the cost being less than one third of what satin, cloth or metal tags would amount to.
Tags of American origin were offered, both from a Seattle manufacturer and through several Canadian agencies, but were not considered at all by the committee. "We must have tags, so let's have Canadian goods, as nothing suitable of local manufacture is available," was the attitude of the whole Publicity Committee.

The Biggest Value in Popular Priced Tailored-to-Measure Suits and Overcoats in the British Empire.

Our Appeal Is Wholly To Intelligent Men—To Those Men Who Seek To Do Their Clothes Buying On Sound Business Principle

If you think it is good business economics to do your Clothes-Trading direct with the largest exclusive Tailored-to-Measure Clothing Establishment in the British Empire, then visit one of our 28 Quality Shops to-day.

ECONOMY and efficiency in tailoring, as in any other line of business, come through organization—doing things in a big, broad-gauged way. Our display of fine fabrics illustrate the point. Our own clever designing proves it. Our values demonstrate it beyond a question of doubt. English & Scotch Woollen Co. tailoring is the highest type of organized tailoring possible to produce—and this without the burden of unreasonable expense.

These are facts that should warrant investigation, and men who think for themselves are making this one of the busiest establishments in Canada.

Suits and Overcoats Tailored-To-Your-Measure

\$20
English and Scotch Woollen Co.
of Montreal
More Quality Less Money
No association with any other concern in Canada.

YOU PAY NO TAX AT OUR PRICES.

OUR woollens come to us in enormous quantities—"Not Suit Lengths," but in full bolts, as large as the capacity of the looms will permit. Our linings, trimmings, canvases, buttons, thread, etc., also come to us in quantities that the small tailor is a stranger to. These conditions are important factors in accounting for our ability to make good, substantial, perfect fitting Tailored-to-Measure Clothes, at about half what other good tailors charge, and even less than you are asked for "Ready-Made" garments of equal quality. Let us take your measure today.

Trousers
We are observing exceptional values in odd trousers from special trouser lengths. Many of these clothes are shown in very limited quantities, and are exceptional values.

SOLD BY GROCERS EVERYWHERE!

The Last Corn

When you end your corn with Blue-jay, it will be the last corn you let grow. You will know how to stop the pain. And how to quickly and completely end all corns.

There are millions who use Blue-jay now, and they never let a corn remain.

The new-day way

Blue-jay is the new-day way, the scientific method.

It was perfected in a laboratory world-famed for its surgical dressings. It is supplanting the many treatments which are harsh and inefficient.

It has made paring as ridiculous as it is unsafe, for paring doesn't end corns.

Do this tonight:

Apply to a corn a Blue-jay plaster or liquid Blue-jay—whichever you prefer.

Mark how the pain stops. Then wait a little and the corn will loosen and come out.

© B & B 1920

What that corn does all corns will do. Some 20 million corns a year are ended in this way.

Don't suffer corns. Don't have your feet disfigured. They can be ended almost as easily as a dirt-spot on your face. They are just as incurable.

Don't forget this. It means too much to you.

Ask your druggist for Blue-jay.

START ON CENTRE IS PRACTICALLY ASSURED NOW

Saanich Council Brings Tenders Down to Authorized Appropriation

Subject to the amendment of tenders for finishing rooms in the basement, the Saanich Council last evening authorized the committee having charge of the War Memorial Health Centre to award a contract to the lowest tenderer for the building, and the plumbing. These are separate tenders.

The amended tenders, in their aggregate, exceeded by \$731 the total amount of \$25,000 voted by the public last January, and as the Council did not feel justified in exceeding the total defined in the bylaw, the majority voted for discretion to be left to the committee for awarding the contract after amendment.

The only voice raised in opposition was from Councillor Clark, who believed after the paucity of work which had been authorized it would be better to let the architects, Messrs. Spurgin and Rice, go ahead and carry out the work by day labor as far as the money would go. Councillor Clark observed that as the building would take from five to six months, he believed that prices of material would decrease, and it was in the classes of finishing material, which it was proposed to cut out, that the chief economy would come.

Before the resolution was adopted Councillor Brooks believed it might be possible to reduce the size of the building, which might be extended later.

Major Spurgin, the architect, explained that it was now designed with sixteen rooms, and three or four auxiliary rooms.

Councillor Dooley said the building could not be made smaller without impairing its usefulness.

Councillor Henderson favored a completion of the work as planned while Reeve Watson pointed out to his colleagues that the Council ought not to exceed the appropriation set.

The resolution was then adopted, Councillor Clark voting in the negative.

OUTLINES PLAN TO RELIEVE CIVIC TAXATION BURDEN

Alderman W. G. Cameron Says Citizens Have Remedy in Own Hands

"Even casual visitors to Victoria comment on the fact that the city has municipal facilities sufficient to accommodate a population double or three times the size of that which we have at present, and the most practical way to reduce taxation charges against the citizen is to increase the number of people bearing the burden of the civic improvements," said Alderman W. G. Cameron yesterday, at the City Hall.

"When I first became a member of the City Council, twenty-five years ago, it was possible to count the industries of the city on one's fingers. To-day they number somewhere around one hundred," he said.

"The far off days the taxation problem was a very different matter to that of to-day. The city council of those times had no dream that Victoria would become the beauty spot we have jointly made it, and no debt might be kept to keep the city fathers of those times awake at night.

Get More People Here.

"I see a very clear way to handle the city's financial burdens, but as all such schemes always do, it comes down to the public spirit of the people of the city. We must get more people here," he said.

"The way to secure a permanent increase in population is to get industries to keep the people busy, it is only cities that strongly support the industries they already have which are attractive to new undertakings.

"Support the industries we have now, and in a very few years we will see them expanded to commanding size and reinforced with numerous additional plants. With permanent employment assured, we shall find a great influx of skilled workmen coming here, and this increase in population will make it an easy matter to carry the city's financial burdens. That is why I am so strongly in favor of this Made-in-Victoria week. It is a step in the direction of making the home market solid for the industries we already have, and so attracting more of them."

TWO DELEGATES FOR CONVENTION

Saanich Will Be Represented at Union of B. C. Municipalities Meeting

Reeve Watson and Clerk Cowper were appointed by the Saanich Council last evening as its delegates to the Union of British Columbia Municipalities Convention at Nelson next week.

Instructions on various points of policy will be given at a later meeting, before the delegates leave.

Councillor Henderson, who attended as one of the delegates at North Vancouver last Fall, was appealed to for an opinion on the subject. He said present conditions compared unfavorably with a convention he attended some years ago as a delegate from the city, because the Union Convention appeared to be more divided, and there was a greater tendency to reverse decisions adopted on previous occasions. He did not doubt, however, much advantage did accrue to the districts represented.

Clerk Cowper said the results would be more effectual if there was not so much to do in a short time, compelling the rushing of business at conventions. He had not changed his view with regard to the Local Government Board, but believed the delegates at North Vancouver last year had voted adversely because of suspicions of the character of the personnel of the proposed Board.

Councillor Dooley was rather favorable to the Municipal Officers' Association, a body formed recently, which reference had been made in the discussion, as being probably beneficial to all parties.

This latter association asked for a delegate to be sent to Nelson, but no motion was adopted in this matter.

S.S.B. WINS ALL POINTS

Not only did the Soldiers' Settlement Board win out in the Supreme Court yesterday, but having Chief Justice Hunter decide that the Board, being an agent of the Crown, is outside the sphere of the courts of this Province, but Charles Wilson, K.C., appearing for the Board and Robert Boyd Wright dismissed altogether and an undertaking given that no action would be started against the Board even in the Exchequer Court of Canada.

After the Chief Justice decided that John E. Green acting for Margaret Boyd Wright and her husband, Andrew Wright, had brought the case to the wrong court, Mr. Green wanted to continue the suit against Mr. Peters in the Supreme Court, dropping the Board as a defendant.

Mr. Green planned to show that James Manton had sold the Lansdowne greenhouses to Mr. Peters for \$1,000. Mr. Peters removed them to the nurseries at Ladbrooke Bay where he erected them as greenhouses. Then Mr. Peters mortgaged his property to the Soldiers' Settlement Board for \$1,500. But Mrs. Wright had a mortgage for some \$300, which the plaintiff claimed was prior.

When the court adjourned the lawyers got together and settled the case on a basis that the Board would bring no further action.

LETTERS

Letters addressed to the Editor and intended for publication must be short and legible. The longer an article the shorter the chance of insertion. All communications must bear the name and address of the writer, but not for publication unless the writer wishes. The publication or rejection of articles is a matter entirely in the discretion of the Editor, and is not to be considered by the writer for M.S.B. submitted to the Editor.

THAT ROTARY CLUB RESOLUTION

To the Editor—Probably like many of you other readers I was greatly interested in the ideas expressed at a recent session of the Victoria Rotary Club, that in regard to any scheme, industrial or otherwise, it proposed for Victoria, nothing derogatory should be said either by the newspapers editorially or through their editors allowing correspondents airing their opinions antagonistic to such scheme. It was further explained that propositions the Rotary Club has pronounced as right, the swimming bath and the Municipal Golf Links—had been foolishly turned down by the mere ratapayers, who, they seem to have forgotten, have to meet the expenses.

It is surprising, indeed, that no one as yet has called that bluff of the Rotary Club of Victoria—good fellows in every way though they are—pre-empting the right to O.K. this city's municipal affairs, then the first requirement for membership in that worthy organization should be to have their names in the city voters list as property holders; but that seems to be the least requirement at the present time, as at the recent Golf Links By-Law vote some of the most persistent advocates of it through the correspondence columns of the newspapers hadn't enough practical direct interest in Victoria to qualify either as ratepayers or voters, and one of them, if I mistake not, wasn't even a British citizen, as some time afterwards he made application to the local courts for citizenship papers.

In the general conduct and discussion of Victoria's general business affairs no one, I think, would wish to confine such to Native Sons or any other element, as any oldtimer here

STOP LOOK and LISTEN

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

In the brilliantly lit ball-room, the woman who is the favorite is the woman who is individual.

A few drops of Mavis Perfume and a light film of face powder will lend you additional charm. Your individuality will be striking because only discriminating women choose Mavis.

The charming fragrance of Mavis perfume—the gentle touch of face powder will make you truly IRRESISTIBLE!

Irresistible!

SAYS MOTOR SALESMEN MUST WORK HARDER

Defence of C.P.R. Activities On Vancouver Island

By W. F. Povah

"In the automobile business the outlook is bad only for those who want to continue coasting," says Charles L. Harris, editorially reviewing conditions in the trade in the new issue of the Island Motorist which is just out.

"The car shortage of the last few years has had a tendency to encourage a sales policy of drift—and some have forgotten how to sell.

"The business outlook, then, is good for the man who will not quit at uphill driving. The drive for sales will get him over all right, but he needs to keep his eye on the middle of the road and do some steady work. The man who will push things for all they are worth, by advertising and by personal effort, will certainly come out on top."

Champions C.P.R.

W. F. Povah in the new issue of Motor Travel takes up editorially the charges made by L. McLeod Gould in the last issue of the Motorist about the way the C.P.R. is treating Victoria.

"It was alleged that the C.P.R. did nothing for Victoria and it was also alleged that Vancouver was endeavoring to keep tourists away from Vancouver Island," says Mr. Povah. "As to both these charges we happen to know that the C.P.R. this year went to the expense of getting out a special pamphlet attractively illustrated portraying scenes on the Island and boosting this territory as a tourist centre.

"In a spirit of fairness we must point out that the information bureau of the C.P.R. is always only too willing to give all information possible regarding Vancouver Island. Furthermore, the Island is certainly getting its share of the tourist travel this season."

knows, and appreciates the fact too, that many of the outstanding industries here are due to the efforts of newcomers or outsiders. But in the matter of proposing municipal institutions for which the ratepayers alone have to pay—and don't forget either, it's they who have to pay, whether they make use of the institution or not—the discussion should be left entirely with themselves, and those who don't have to put up should shut up; otherwise they are butting into other people's affairs.

The writer of this, like a very, very large proportion of Victoria people, doesn't qualify as a public leader but he has to cough up about \$100 a year taxes on his home here, and he, like a lot more of his kind, prefers to leave the matter of running the city's affairs in the hands of the Mayor and Aldermen and the property owners generally (who all have to meet a proportionate share of the cost of such) rather than to the Rotary Club, many of whom do not have to shoulder any expense whatever in connection with the carrying out of some of the magnificent schemes they advocate.

Otherwise the Rotary Club is a very useful part of Victoria's business life.

WHAT YOU EAT

What you eat is determined by where you eat. Consequently those who are particular what they eat are apt to discriminate as to where they eat. There's a pleasure in dining here. A pleasure that will make your first meal or lunch linger long in your memory.

The foods are so excellent, the service so deft, the atmosphere so genial, that we confidently make the prediction that your dinner here will be but the beginning of a long acquaintance.

A WELCOME AWAITS YOU.

EVERYDAY CLOTHES

"One finds it difficult in these times to dress as one ought."
"Oh I don't know. I have a suit of clothes for every day in the week."
"Really?"
"Yes, this is it"—TIT-BITS.

Six of the great glaciers of Greenland yearly deliver into the sea four square miles of ice 1,000 feet thick.

THE HOOVER

IT BEATS AS IT SWEEPS AS IT CLEANS

Pride in the appearance of one's home properly must include the rugs, and, like all other beautiful things, rugs respond to frequent and right care with a longer lifetime of beauty.

Three processes—beating, sweeping and suction cleaning—are vital to such care; only the Hoover combines the three. It beats out the embedded grit; it sweeps up the stubbornest clinging litter; it suctions away the loosened dirt, and it is the largest selling electric in the world.

Special Demonstration at This Store To-day

We will gladly demonstrate the Hoover in your home or at your store without obligation; convenient terms if desired. We advise prompt consideration, as the popularity of the Hoover makes it difficult to keep them in stock.
